JOY: Mrs Blackman celebrates with veterans

VICTORY FOR THE 'LIONESS'

Wife Claire praised as jailed Marine hubby wins fight

By COLIN HURST
news@sundaysport.co.uk

The wife of Royal Marine Alexander Blackman, who fatally shot an injured Taliban fighter in Afghanistan, has spoken of her joy at the prospect of him coming home in a few weeks.

Claire Blackman said she was "overjoyed" after judges sentenced her husband to seven years for diminished responsibility manslaughter – meaning that because of time already served he could be freed next month.

Mrs Blackman was described by her husband's barrister Jonathan Goldberg as 'the lioness who inspired us throughout'.

REDUCED SENTENCE: Blackman

And she was given a 'three cheers' and a bagpipes salute from marines who popped champagne corks, drank from hipflasks and planted kisses on her cheek.

Surrounded by scores of veterans outside the Court Martial Appeal Court in London, Mrs Blackman said: "We are overjoyed at the judges' decision to significantly reduce Al's sentence, such that he can be released imminently.

Fighting

"This is the moment that we have all been fighting hard for. It is hard to believe that this day is finally here."

A panel of five judges, headed by Lord Chief Justice Lord Thomas, sentenced Blackman, 42, from Taunton in Somerset, to the term of seven years following the recent quashing of his murder conviction for the 2011 killing.

Announcing the decision, Lord Thomas said: "As with any person sentenced to a determinate term, his release will ordinarily be at the half-way point of the sentence."

Blackman, who watched Tuesday's proceedings via video link, has already spent almost three-and-a-half years in prison following his original conviction in November 2013 after the death of the insurgent.

One of Blackman's legal team indicated he would probably be released in about two weeks, but the decision on the exact date was for the Prison Service to determine.

The Court Martial Appeal Court ruled previously that Blackman was suffering from an "abnormality of mental functioning" at the time of the 2011 killing when he was serving with Plymouth-based 42 Commando.

Illness

The court found the incident was not a "cold-blooded execution" as a court martial had earlier concluded, but the result of a mental illness, an "adjustment disorder".

The judges said Blackman had been "an exemplary soldier" before his deployment to Afghanistan in March 2011, but had "suffered from quite exceptional stressors" during that deployment.

They found his ability to "form a rational judgment" was "substantially impaired".

Blackman shot the insurgent, who had been seriously injured in an attack by an Apache helicopter, in the chest at close range with a 9mm pistol before quoting a phrase from Shakespeare as the man convulsed and died in front of him.

The judges also concluded that Blackman should be dismissed from the service, but not with disgrace.

Boris: I've no doubt we'll get a great Brexit deal

BORIS Johnson has claimed Theresa May's "spirit of optimism and positivity" will secure a "great" Brexit deal.

The Foreign Secretary *(above)* added that EU member states will have a "huge amount to gain" from such an agreement.

Mr Johnson's claims came just hours before Mrs May *(below)* plans to start the formal two-year Brexit talks and in response to SNP concerns to previous contradictory comments from the Prime Minister's Cabinet.

Alex Salmond, SNP international affairs and Europe spokesman, questioned what information Mr Johnson had based his assertion that no Brexit deal would be "perfectly OK" while International Trade Secretary Liam Fox suggested it would be "bad" for Britain.

Speaking in the Commons, Mr Johnson replied: "I think you will recognise the Prime Minister is going into these negotiations in a spirit of optimism and positivity that I think you could learn a little bit from.

"I've absolutely no doubt that there will be a great deal for this country, because a great deal for this country is what is finally in the interests of the rest of our friends and partners on the other side of the Channel, who have a huge amount to gain."

"It will be an opportunity for this country to get rid of some of the burdensome regulation that has accreted over the last 44 years."

From this date, shops will no longer accept the old coins. People are being encouraged to spend or bank the old coins before then.

The Royal Mint in Llantrisant, South Wales, has been making millions of the new £1 coins per day.

Vicky's lined up for duty as 007!

STARS: Vicky and Craig

ACTRESS Vicky McClure is all over the small screen at the moment – but it's the role of 007 she's really got her eye on.

Just weeks after appearing in BBC drama *The Replacement*, she's back on the Beeb in top crime drama *Line of Duty*.

But the 33-year-old is ready to swap telly for Hollywood and reckons it would be "genius" if she was signed up as James Bond!

By BECCA STUBBS
becca@sundaysport.co.uk

She said: "I did hear a few crazy stories, but there were a few misquotes as well. I read one headline that said 'McClure wants to play Bond' which was funny.

"It's never going to happen in a million years, is it?

Cards

"A Nottingham girl playing Bond would be genius, but I don't think it's on the cards."

Vicky has recently revived her role as DS Kate Fleming in BBC's *Line of Duty* and stars with Thandie Newton, 44, in the fourth series.

Current 007 hunk, Daniel Craig, 49, has hinted that he won't be returning for his fifth movie as the secret spy, leading to speculation over his replacement.

Idris Elba, 44, Tom Hardy, 39, and Tom Hiddleston, 36, have all been hotly-tipped to land the role but many seem keen on a woman to take the reins.

Many fans want to see *Broadchurch* star Olivia Colman, 43, pick up the gauntlet.

POSTMAN PAT GRABS COX

IT'S not a star role, but Professor Brian Cox has landed a part in children's hist TV show *Postman Pat*.

The physicist, 49, appears in animated form, voicing the role of space expert Professor Farrow.

In real life, the pop star turned TV presenter is in Australia, filming *Stargazing Live*.

The CBeebies episode will see Postman Pat, who has always yearned to be an astronaut, attempting to make a special delivery of a space suit after his van breaks down.

The new episode airs at 7.25am today.

Decorator faces jail for sex talk

A DECORATOR faces jail if he mentions "sex" to any woman within the next SEVEN years.

Barrie Hill, 50 (*above*), was told he would be sent to prison if he even speaks about sex after a string of "crude and inappropriate behaviour".

Cardiff Crown Court heard Hill had touched a woman's backside and asked women for sex.

He approached a woman in a lingerie shop and said he could guess her bra size, then reached out to stroke her neck.

Hill also offered to wash a woman's car but when she declined he asked her for sex.

Cops received reports he was offering rides to lone females and also handing out "In Safe Hands" business cards advertising his services as a masseuse.

Hill, of Rhyl, North Wales, was given a three-year community order and was warned he will be jailed if he breaches this.

NICOLE BEATEN UP ON SET OF TV SHOW

Hubby Keith's anger at 'bruising'

SUFFERING FOR HER ART: Nicole in *Big Little Lies*

By COLIN HURST
news@sundaysport.co.uk

ACTRESS Nicole Kidman says her husband was "devastated" after seeing the bruising she suffered from playing a domestic abuse victim.

The Oscar-winner stars in drama series *Big Little Lies* as a retired lawyer who is subjected to violent sexual behaviour at the hands of her partner, played by co-star Alexander Skarsgard.

Nic, who has been married to country music star Keith Urban for more than 10 years, said she had to take painkillers after filming the intense scenes.

She said: "I would go home at night and be in a lot of pain, and I had to take things like Advil because I was being thrown around physically.

"I was really bruised. At one point Keith was like, 'I'm going to take a photo of your back because it's covered in deep, massive bruises'. He was pretty devastated seeing it.

"But then he would say, 'But I have an artist wife!' He knows that's how I work. I don't even notice it half the time."

Nicole, 49, is also an executive producer on the seven-part HBO mini series, based on Liane Moriarty's novel.

Murder

The drama, which airs on Sky Atlantic in the UK, tells the story of three mothers, played by Kidman, Reese Witherspoon and Shailene Woodley, whose "perfect" lives unravel to the point of murder.

Nicole and Keith married in 2006 and have two daughters together.

Sick Drake pulls out of Dutch gigs

RAPPER Drake has been jeered by angry fans after cancelling an Amsterdam concert at the last minute on doctor's orders.

Fans chanted: "F**k Drake!" and threw plastic cups on to the stage at the Ziggo Dome arena after they waited 75 minutes for him to appear.

This is the third time the Boy Meets World Tour show at the venue has been postponed, with a promoter telling the crowd the gig will now take place tonight.

A Facebook update by Mojo Concerts said a second performance scheduled for last night would also go ahead.

They said: "Drake really wanted to perform tonight but unfortunately he became ill and his doctor has told him he can't perform."

The *Hotline Bling* star was originally due to perform at the venue on January 20 and 21 before moving the shows back a week.

They were then postponed until March 27 and 28.

Shoplifter death guard: no action

A SECURITY guard who was arrested on suspicion of manslaughter after a suspected shoplifter he apprehended died will face no further action.

Kieren Church, 30, suffered a "significant injury" when glass bottles he was concealing smashed as he was being tackled by the 20-year-old security guard.

Mr Church, of no fixed address, died at the scene following the incident in The Shires car park in Trowbridge on February 9.

A spokesman for Wiltshire Police said: "A man arrested on suspicion of manslaughter following the death of a man in The Shires car park has been released with no further police action."

TOP HEART SURGEON'S 'CATALOGUE OF SEX ATTACKS ON 5 WOMEN'

ACCUSED: Mohamed Amrani denies all the charges against him

By COLIN HURST
news@sundaysport.co.uk

ONE of Britain's top heart surgeons sexually assaulted five women at work after assuming they would not dare to complain about a doctor of his 'well-deserved renown', a court heard.

Mohamed Amrani, 53, allegedly raped one victim in his office during a campaign of 'sexual bullying' at Harefield Hospital in Hillingdon, west London.

The consultant surgeon, whose wife worked part-time at Harefield, also groped three other women there over a 13-year period between 2001 and 2014.

He was finally reported to his bosses after he patted the bottom of a fifth victim at the Cromwell Private Hospital in Kensington, southwest London, in June 2014.

Anus

The surgeon performed the UK's first double valve replacement using keyhole surgery in 2007 and has carried out many life-saving operations during his career.

Prosecutor Peter Clement told the Old Bailey that Mr Amrani was "a leading heart and transplant surgeon of well-deserved renown".

He said: "Mohamed Amrani was held in the highest regard by those who worked with him.

"But there was another side to him: One who exhibited sexualised behaviour.

"It wasn't just banter, it was obscene and descended to assaults by way of grabbing victims' breasts – over and under clothing – of grabbing their genitalia, of patting a backside and in the case of one digitally penetrating her vagina and anus before raping her in his office at the hospital."

Mr Clement said that most of his victims decided not to make a formal complaint at the time, adding: "His position conferred a high degree of authority, power and trust.

"He breached all three for his own sexual gratification, confident that those whom he assaulted would not dare make a formal complaint.

"He was right in his assumption, but only for a period of time."

Mr Amrani brazenly repeated his assaults on one victim over an eight-month period, the court heard.

Jurors were told that the woman described him as "charming and funny" but also equipped with an explosive temper.

She was first allegedly assaulted when he reached out and grabbed her breasts without warning in 2003.

On one occasion he even assaulted her in front of a colleague, the court was told.

Mr Clement said: "It was, suggest the prosecution, sexual bullying of a high order by a man confident that his seniority would ensure his targets' silence."

Mr Amrani was arrested in May 2015 after the alleged rape victim made a formal complaint.

She claims Mr Amrani attacked her in his office in September 2013 moments after telling her: "I'm going to f**k you".

She begged him: "No, please don't," but he ignored her and pushed her down on the sofa in the room, jurors were told.

Oral

Mr Amrani then forced her to perform oral sex, it was said.

Mr Clement continued: "Consent didn't enter into it. He couldn't care less about her wishes, he cared only about himself."

The surgeon then answered a call on his mobile phone before leaving his office, the court heard.

Mr Amrani later made a series of comments to the victim and flicked her ear, and also asked her: "What did it taste like?" it is claimed.

Mr Clement said: "He sought to belittle – to bully – her."

The alleged victim made a formal complaint to the Harefield in February 2015 and Mr Amrani was arrested in May that year.

In his police interview Mr Amrani denied any sexual contact with the woman, who was the third of the five alleged victims.

It is claimed that in early 2014 Mr Amrani jumped out at the fourth victim in the hospital corridor and squeezed her nipples.

He then asked her if she liked it, to which she replied: "No," and pulled away, jurors heard.

Mr Amrani later told her: "You do realise I will f**k you sooner or later.'

This woman went to police after learning of the allegations made by the alleged rape victim.

The fifth victim also revealed she had been patted on the bottom by Mr Amrani at the Cromwell Private Hospital on June 7, 2014.

She tried to slap him across the face but he ducked, jurors heard.

The fifth victim later reported the incident to the Trust and the complaint was passed to police.

Mr Amrani, of Harrow, northwest London, denies one count of rape, one count of assault by penetration, six counts of indecent assault and three counts of sexual assault.

The trial continues.

Who shat in our cans of Coke?

COPS PROBE 'CONTAMINATED' BATCH AT FACTORY

POLICE are investigating reports that a consignment of cans due to be used at a Coke factory were contaminated with suspected HUMAN WASTE.

The incident involved a shipment of empty cans that were delivered to a Coca Cola plant in Co Antrim ahead of being filled and sealed.

Coke said the issue at the Lisburn factory was identified "immediately" and had no impact on its products.

Detectives from the Police Service of Northern Ireland are investigating the matter and a spokeswoman for Coke added: "At Coca-Cola, we take the safety and quality of our products extremely seriously.

"We are aware of an incident involving empty cans at our plant in Lisburn. We are treating this matter extremely seriously and are conducting a thorough investigation in co-operation with police.

"It was identified immediately through our robust quality procedures and all of the product from the affected batch was immediately impounded and will not be sold.

"This is an isolated incident and does not affect any products currently on sale."

A police spokesman said: "The investigation is at an early stage and there are no further details available."

The Foods Standards Agency in Northern Ireland said it was aware of a "physical contamination incident", adding: "There is no evidence to suggest that any affected product has reached the market.

"The incident is subject to an investigation by the police and the environmental health unit of Lisburn and Castlereagh City Council."

CROONER Gary Barlow has landed himself an acting gig in the new *Star Wars* movie.

The 46-year-old pop star broke the news on breakfast TV this week and confirmed he's filmed scenes for the upcoming *Star Wars: The Last Jedi* movie.

Take That frontman Gary told showbiz reporter Ross King that he will star in *Episode VIII* on an interview for ITV's *Lorraine*.

He revealed: "I'm not a Stormtrooper, but I am in it.

"Now I've said that, I'll probably be out.

"I think the *Star Wars* people are so strict about what information is out there.

"So me saying that, I've probably just done myself out of a role!"

Rumours have been rife that Gary would make a cameo in one of the *Star Wars* films after he was spotted at Pinewood studios last year.

The *Rule The World* singer won't be the first celebrity to have bagged a role in the sci-fi films, as Daniel Craig appeared as a Stormtrooper in *Episode VII: The Force Awakens*.

And even Princes William and Harry are rumoured to be part of the next flick after they were pictured on set playing with lightsabres.

A source said: "The princes dressed up in full Stormtrooper gear and filmed a scene in which Rey and Finn infiltrate a secret base."

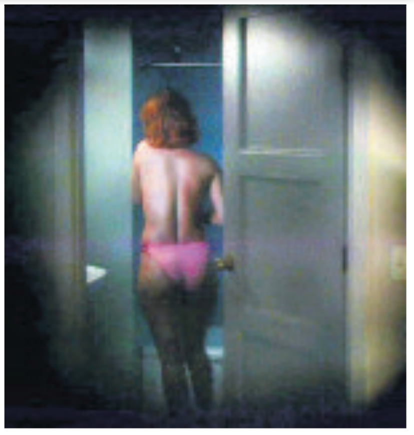
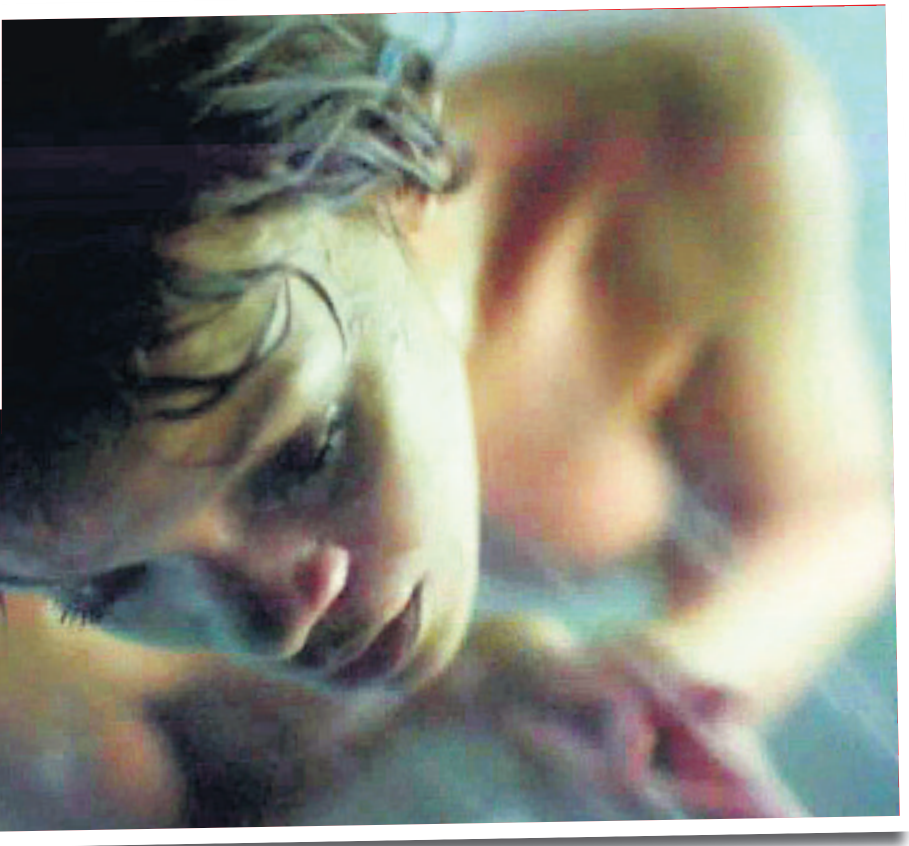
Rihanna ...and Master Bates!

IN HOT WATER: RiRi with co-star Freddie Highmore who plays young Norman





THE shower scene from Alfred Hitchcock's *Psycho* was given a new lease of life this week as pop babe Rihanna stripped off!

By JESS GALLEY

jess@sundaysport.co.uk

The 29-year-old singer took on the role of Marion Crane – made famous by actress Janet Leigh in the 1960 movie, for US series *Bates Motel*.

But while the Bajan beauty ditched her clothes and relived the saucy shower scene, RiRi's version of the character managed to escape with her life.

Unlike the iconic murder scene from the original black and white horror flick, it was Marion's boyfriend Sam who was on the receiving end of Norman Bates's knife this time around.

The show's executive producer, Carlton Cuse, said: "We spent a long time talking about how Marion Crane for 2017 had to be a very different character than the one in the 1960 Hitchcock movie.

"It was important to try to bring that character into the contemporary world."

Nuddy

Viewers were still treated to a glimpse – albeit a short blurry one – of the *Umbrella* star in the nuddy though, as Rihanna relaxed under the hot water.

She was also shown removing her clothes before stripping out of her pink lace bra and panties.

Ken slams Labour over 'Hitler' case

KEN Livingstone claimed allegations of misconduct over his comments about Adolf Hitler are a "political charge" aimed at supporters of Palestinian rights as he prepares to fight his suspension from Labour.

The former London mayor *(above)* was suspended from the party in April last year after claiming that Hitler supported Zionism in the 1930s.

He will have his case heard by Labour's NCC on Thursday.

Mr Livingstone claimed Labour was pursuing the case against him in a "partisan" way and suggested there was a witch-hunt aimed at critics of Israel.

The veteran left-winger said he had "no intention" to cause offence but was "sorry" if his remarks did so.

He faces allegations that he engaged in conduct that was "prejudicial and/or grossly detrimental to the Labour Party".

He said "only a biased or rigged jury" could conclude he breached party rules.

Cops slam drunken Tyne stunt

POLICE have criticised plans for 3,000 people to float on inflatables down the River Tyne while drinking BEER.

The event, publicised on Facebook as the River Tyne Booze Cruise, is planned for July 1 – starting in Newburn, Newcastle, and ending three-and-a-half hours later on the Quayside.

Organisers insisted the idea was not a hoax and said it was based on a Finnish event.

They posted a video of young Scandinavians drinking ale in inflatables while floating down a tree-lined stream.

The Facebook post, shared almost 10,000 times, has the message: "One rule: Stay in your craft at all times to eliminate accidents. Armbands or life jackets recommended."

But Northumbria Police said they were concerned about safety and will speak to the organisers.

A force spokesman said: "The River Tyne is not a countryside stream.

"The current is strong, there is a lot of debris and a number of vessels use the waterway.

"A rubber dinghy is not an appropriate vessel to be used on this river."

GEORDIE SHORE SHOCKER:

MARNIE: LEWIS TURNED ME INTO A LESBIAN!

SPLIT: Lewis (*below*) and Marnie

Beauty's had it with men after cheating co-star

By JESS GALLEY
jess@sundaysport.co.uk

GEORDIE Shore stunna Marnie Simpson declared she's DONE with blokes – after her ex-boyfriend Lewis Bloor admitted to cheating on her.

The 25-year-old reality TV star split from former *TOWIE* star Lewis after it emerged that he'd shared a bed with a girl behind her back while they were on holiday in Barcelona.

And Marnie, from South Shields, has now said the 27-year-old's cheating ways have put her off fellas for good – but not WOMEN.

Bisexual

The brunette beauty came out as bisexual last year and hinted she's still happy to have steamy lesbian flings.

She said: "My friend Kim Woodburn said, 'I know he's got a nice big dick but that's not going to get you very far'.

"What Lewis did was unforgiveable.

"I wouldn't say the experience has put me off dating, it might have put me off men though."

Marnie and Lewis got together after falling for each during their stint in the *Celebrity Big Brother* house last year.

But, despite swearing off men, Marnie said she's been swapping messages with pop stars Niall Horan and James Arthur.

She revealed: "I've been speaking to them. We've said hello and I've spoken over DMs with both of them.

"It's just friendly — they're both big fans of the show."

Viagra over the counter

THE sex pill Viagra could soon be made available from pharmacies, under plans to scrap the need for a prescription.

Men would be able to buy the drug, which is used to treat erectile dysfunction in those aged 18 and over, after a chat with a pharmacist.

The proposal is set out in a consultation that runs until April 17 from the Medicines and Healthcare products Regulatory Agency.

Packs of eight tablets of Viagra – also called sildenafil – would be made available, with men told to take no more than one tablet per day.

Viagra, which works by relaxing blood vessels, thereby allowing blood to flow to the penis, works for about eight hours and is designed to be used "on demand".

PUNK STOPPED ME DEALING DRUGS – JOHN

SEX Pistols star John Lydon says he would have ended up as a drug dealer if he hadn't made it in the punk band.

The 61-year-old *God Save the Queen* singer – also known as Johnny Rotten – claimed that "without punk" he would have ended up peddling narcotics.

He said: "Without punk I would have probably have been a drug dealer.

"That's what everybody else in my area – Holloway, north London – did."

Lydon said he would have liked to have become a teacher or rocket scientist, but that at the age of 10 he was running a minicab firm.

He said: "I was running a minicab service by the age of 10 – booking the cars on the weekend.

"I was looking after mad Irishmen and even madder Jamaicans. It must have been appalling for them thinking that a 10-year-old was booking all their appointments, but I never screwed it up."

Brooke LEA

By JESS GALLEY jess@sundaysport.co.uk

BUSTY Brooke Lea has the most jaw-dropping curves – so it's no wonder she likes to flash the flesh in PUBLIC!

The 25-year-old scorcher admitted she has a bit of an exhibitionist side and loves squeezing her huge boobs into revealing clothes and get ogled.

Brooke, from Taunton, Somerset, said her breasts get plenty of attention when she's out and about.

But considering they measure a whopping 32FF, we're not surprised!

The gorgeous glamour babe said: "I absolutely love showing off my body – especially my boobs – and I don't mind at all when I catch men drooling over them in public.

"I sometimes even wiggle my top down so they get even more of an eyeful as it's so funny to see them squirm when their wives finally realise what their man is actually staring at!

"That's why I got into modelling really, I just feel so sexy when I'm in front of the camera. Especially when I'm wearing really sexy lingerie or, even better, when I'm completely naked!"

KAY: MY BUM'S MORE BURLEY THAN KIM'S!

CHEEKY GIRLS: Kay (*above*) and Kim K

By JESS GALLEY jess@sundaysport.co.uk

SKY newsreader Kay Burley has boasted that she has an ARSE to rival Kim Kardashian.

The 56-year-old journalist said she was naturally-blessed with a COLOSSAL derriere and reckons she was sporting the big booty look long before it became fashionable.

Curves

Kay described her butt as “a nightmare” but said she has learned to embrace her fuller curves.

She said: “I’ve got a huge bottom!

“And I had one long before it was fashionable to have a Beyoncé or Kim Kardashian-sized posterior. It’s a nightmare, but there’s nothing I can do.”

Another secret Kay revealed that might shock Sky News viewers is that she has her belly button pierced.

The Wigan-born lass confessed: “I’ve got a belly-button ring. My ex-husband bought me a diamond-encrusted eternity ring and then we went our separate ways, so I couldn’t really wear it on my finger.

“But it was ever so beautiful that I had it shaped into a teardrop, got my belly button pierced, and have now worn it for 20-odd years.

“Bit rock ’n’ roll isn’t it?”

STILL FRESH ...20 YEARS ON!

Will Smith sitcom family is reunited

By DAVID MERCER news@sundaysport.co.uk

HOLLYWOOD star Will Smith has reunited with his former co-stars from *The Fresh Prince Of Bel-Air* –more than 20 years after the show ended.

He joined pals from the classic 1990s TV comedy as they posed for a photo, which was shared on social media by Alfonso Ribeiro, who played Carlton.

Smith – who played a fictionalised version of himself on the show – was joined by Alfonso, Tatyana Ali (who played Ashley), Karyn Parsons (Hilary), Daphne Maxwell Reid (Vivian) and Joseph Marcell (butler Geoffrey).

James Avery, who starred as Uncle Phil, sadly died in 2013 after complications from heart surgery.

In the Instagram post, Ribeiro wrote: “Amazing to spend an afternoon with my Fresh Prince family. Wishing that James Avery was still with us to make this complete.”

The Fresh Prince Of Bel-Air ran for six series from 1990 to 1996.

Keith Lemon gets Holly's Juice flowing

BRITAIN'S sweetheart Holly Willoughby loves filming *Celebrity Juice* – and says it's like her night off and her night out.

As one of the nation's favourite TV presenters, Holly heads up daytime show *This Morning*, but viewers see a much naughtier side of the 36-year-old on ITV's comedy show.

Holly *(above)* has been filming the panel show alongside best friend Fearne Cotton, 35, Keith Lemon, 43, and new recruit Gino D'Acampo, 40, since 2008.

And the blonde beauty loves the show so much she says it doesn't even feel like work.

"It's my night off, night out and my local pub quiz all rolled into one," she said.

"It's just a bit silly. It's never nasty, no one is ever laughing at someone else's expense, and it feels good to watch.

"Most of our nights out are what you see on the telly!

"After that, we all turn into pumpkins and go home to our children!"

Transgender set for Love Island

LOVE Island could be set to welcome their first ever TRANSGENDER contestant.

Iain Stirling, the voice of the show, reckons there's no reason that the reality series shouldn't have a transgender contestant.

And the matchmaking show, which sees strangers battle it out to find love and be crowned the winning couple, has already seen some steamy girl-on-girl action.

Iain said: "Why not? Last year we had a bisexual romance."

The ITV2 dating show could follow in the footsteps of *Britain's Next Top Model*, with Talulah-Eve Brown being their first trans contestant on the current series.

But we won't know if the rumours are true until the show returns to our screens in the summer.

BEACH BABE KELLY LOOKS REARLY GOOD!

POP stunna Kelly Rowland flashed plenty of flesh as she stripped off during a sun-soaked break at the beach.

The former Destiny's Child singer wore a multi-coloured swimsuit which plunged down low enough to reveal the 36-year-old's sideboob.

And when curvy Kelly bent down to take off her denim shorts, she gave onlookers on Bondi Beach, Sydney, an eyeful of her derriere, too.

An onlooker said: "Her ex-bandmate Beyoncé might have the more famous trumper, but seeing Kelly in that swimsuit rocked my world.

"You could almost see her whiskers!"

Reality TV new babe Chelsea: My sex on back seat in a car wash

BONKER: Chelsea

By BECCA STUBBS

becca@sundaysport.co.uk

***GEORDIE SHORE* is back with a bang as one of the newbies has admitted to shagging on the backseat of a car – in a CAR WASH.**

Eight new faces will be joining the existing cast members of the MTV reality show over the course of the latest series and they all promise raunchy on-screen action.

But busty beauty Chelsea Barber has revealed her sexy secret ahead of her appearance.

The 24-year-old brunette beauty said: "I've had sex in the back of a car in a carwash. That was fun!"

Messy

Exhibitionist Chelsea is known as Barbs to her mates and claims to be a "reet messy drunk", so she's bound to fit into the Newcastle madhouse.

However, it's not her first dabble with the stars of *Geordie Shore* as she's previously dated one of the boys.

She's the ex-girlfriend of former cast member Kyle Christie, 24, who went on to date 24-year-old Holly Hagan in the show.

Barmaid Chelsea will be making her appearance on the new series of *Geordie Shore: New Radgie Rampage,* in a future episode.

Last night's season opener saw 19-year-old Abbie Holborn, Sarah Goodhart, 23, and Zahida Allen, 22, enter the house amid huge drama.

Zahida ended up in a vicious brawl with Chloe Ferry, 21, who tore the new girl's extensions out of her head and threw her to the floor.

Watch the continuing drama unfold on *Geordie Shore* Tuesdays at 10pm on MTV.

‘Racist’ tycoon: Why I caused ‘curry’ stink

A PROPERTY tycoon who banned “coloured” tenants from renting his homes because he claims they make them smell of curry says he is NOT racist.

Fergus Wilson, 69 (*above*), said it was an “economic decision” made after he was left thousands of pounds out of pocket from ridding a home of curry smells.

Mr Wilson, one of the UK’s biggest buy-to-let investora with hundreds of properties in Kent, faced a backlash after an email surfaced setting out his ban to a letting agent.

The email, leaked to *The Sun* newspaper, listed his requirements for potential tenants, including: “No coloured people because of the curry smell at the end of the tenancy.”

Mr Wilson said: “It’s the cost of re-carpeting.

“All your profits for maybe a year or more is going on new carpets.

“If that makes me racist, that makes 99% of people who buy houses racist.

“How many white people are going to go into a house that smells of curry and are going to buy the house?”

Google’s home help hits UK

GOOGLE Home, the tech giant’s voice-controlled smart speaker to rival Amazon’s Echo, is set to launch here on April 6.

The small speaker, which is controlled by using the phrase “OK, Google”, utilises Google Search as well as Maps and Translate software to answer queries and provide information.

Already available in the US, the speaker can play music and uses machine learning and artificial intelligence to understand context and answer any follow-up questions to your voice commands.

A spokesman for Google Home said: “With your permission, Google Home can assist you in planning your day, based on information like your calendar entries or flight information from your Google account.”

At £129, Home comes in a range of colours.

INTERNET stunna Sara Underwood set pulses racing when she uploaded a saucy video of herself doing NAKED yoga.

The 33-year-old travel blogger left nothing to the imagination as she showed fans just how flexible she is – and had most of them begging to do the ‘downward dog’ with her!

Sara was *Playboy*’s Playmate of the Year back in 2007 and the blonde bombshell showed off her impressive figure in her latest online hit.

Her video description reads: “Sara Jean Underwood wants you to gain an intimate understanding of her asanas, the various postures and positions practised in yoga.

“The next best thing to doing so in person is watching these sexy nude videos that are designed to raise your heart rate.”

Alongside her *Playboy* success, Sara has also made a name for herself thanks to her raunchy travel blog.

She regularly poses nude while on a nature hike and keeps her online followers updated with naughty pictures from her various outdoor activities.

And Sara shows no signs of slowing down her racy antics as the red-hot babe just can’t seem to keep her clothes on!

One fan who has seen her latest yoga video said: “Oofyah! I just pulled my love muscle watching it!”

The Jackal gets life again for 1974 Paris attack

THE man known as "Carlos the Jackal" has been convicted over a deadly 1974 attack on a Paris shopping arcade and sentenced to life in prison for the third time.

Venezuelan-born Ilich Ramirez Sanchez *(above)* is already serving two life sentences in France for murders and attacks he was convicted of perpetrating or organising on behalf of the Palestinian cause or of communist revolution in the 1970s and '80s.

As the trial wrapped up, the 67-year-old known worldwide as "Carlos" denounced "an absurd trial" for a 42-year-old crime.

Carlos had denied involvement, saying there was no proof against him.

Five judges found Carlos, the only defendant, guilty of throwing a grenade from a mezzanine restaurant onto a shopping area in the French capital's Latin Quarter, killing two and injuring 34 at the trendy Drugstore Publicis.

Jail for drive test impersonate girl

A FEMALE driver who impersonated five learners to take their practical driving tests has been jailed for seven months.

Regine Tezangi, 52, was paid hundreds of pounds to sit the DVLA tests for the women between June 2014 and February 2016 at test centres in Sidcup and Hither Green in south-east London.

She pleaded guilty to six counts of fraud at an earlier hearing and was sentenced at Southwark Crown Court yesterday.

The five women who were impersonated by Tezangi, of Hackney, were also sentenced at the court after pleading guilty previously.

Tezangi, who is studying for a BSc in Tourism and Business, was said to have acted after hearing "stories of desperation".

Baroness Bra ‘tempted’ to fight Sturgeon

SCOTTISH First Minister Nicola Sturgeon better beware – former bra tycoon Michelle Mone says she is ‘tempted’ to run for the role.

The 43-year-old was responding to a tweet from a fan saying she should take on Scotland’s top job.

Irena Tuga posted: “Lady Mone for Scotland 1st minister. If Trump can do it I am sure she can.”

Mone responded: “I’m tempted Irene.”

The Twitter exchange followed Mone’s appearance on *Good Morning Britain* where she told host Piers Morgan that Nicola Sturgeon should “stick to her day job”, claiming Scotland doesn’t want another independence referendum.

Baroness Mone *(above)* said: “We’ve had the Scottish referendum, then we had the general referendum, now we’ve had the EU referendum, we’ve had enough I think.

“The general public are sick of politics, sick to the back teeth of it.

“It’s holding back inward investment.”

Garden w**k cop arrested

A TOP police officer has been arrested after he WANKED himself off in a neighbour’s backyard.

Detective Robert Francis was nicked after a homeowner called cops to report a man masturbating on their property.

Francis entered the back gardens of more than one home and shone a torch inside the house until he alerted someone’s attention.

Once someone from inside the house was looking at him, Francis then shone the light on himself to show himself pulling his pud.

He was arrested at around 2.30am on Sunday morning and charged with public lewdness, endangering the welfare of a child and trespassing.

It isn’t clear how many homes in Long Island, New York, he targeted or in how many back gardens Francis sowed his seed.

STAR REVEALS ALL ABOUT HER SEX LIFE...AND WHAT IT’S LIKE TO KISS THE OTHER SPICE GIRLS

Mel B: I’m lesbian, bisexual ...and I have a great butt!

By JESS GALLEY

jess@sundaysport.co.uk

POP babe Mel B is back on the market after she filed for divorce from hubby Stephen Belafonte last week.

But judging by what the 41-year-old former Spice Girl has previously revealed about her sex life, we don’t reckon she’ll be single for long,

Scary Spice Mel has bragged about having a rampant sex life and claimed that her and Stephen would romp as often as FIVE times a day.

She said: “People can call me lesbian, bisexual or heterosexual, but I know who’s in my bed and that’s it – I have huge libido and a great sex life.”

The former *X Factor* judge also lifted the lid on what went on behind closed doors with her bandmates – even revealing what it’s like to play tonsil tennis with Baby, Sporty, Posh and Ginger.

She said: “Emma and Victoria were quite soft kissers – Geri and Mel C were a bit more aggressive, more passionate.

“I got a tongue piercing and I was like, tell me what it feels like.”

Mel filed for divorce from movie producer Stephen after splitting from him in December and has since filed for joint custody of their five-year-old daughter.

Before hooking up with Stephen though, Mel was in a relationship with a woman.

She said: “I fell in love with a woman for five years.”

And the mum-of-three isn’t short of self-confidence when it comes to her hotfigure.

Mel said: “The sexiest thing about me is my butt. I have a bubble butt. I work hard to maintain it.

“I love the fact I’m curvy. I have big boobs, a big butt and I go in at the waist.

“I think that’s how a woman should be.”

Peter: It sucks that girls forget Steak & BJ Day

POP heart-throb Peter Andre says he isn't happy that women always forget Steak and Blowjob Day.

The 44-year-old singer (*above*) ranted that men remember Valentine's Day and Mother's Day but women always forget about March 14.

And Peter isn't happy that he, and thousands of other men, miss out on the annual nosh treat.

He said: "I never forget Valentine's or Mother's Day, but girls always seem to forget an important date for us guys – March 14.

"In case you didn't know, it's been labelled 'Steak and Blowjob Day' – although you probably won't find it listed on your standard kitchen calendar!"

Steak and Blowjob Day was created by blokes and is dubbed the 'Valentine's Day for men', as it's held exactly one month after the annual lovefest celebration.

DJ BABE WHIPS 'EM OUT ON THE BEACH

Liv and let slip!

By BECCA STUBBS

becca@sundaysport.co.uk

AS the world's hottest DJs descend on Miami for a week full of partying, Olivia Nervo turned up the heat.

The Australian stunna is in the Florida city for the annual week-long dance music celebration – and she wasted no time showing off her beach body.

Olivia, 30, DJ's alongside her equally attractive twin sister Miriam Nervo. They are hugely successful and have worked with chart-toppers such as Kylie, Kesha and Miley Cyrus.

However, all eyes were on Olivia as she relaxed on Miami Beach and gave onlookers a stunning view.

Perky

She wore a pair of tiny blue and green bikini bottoms which gave her a naughty camel toe – but that was the least of her worries.

The flame-haired beauty teamed her revealing bottoms with a black and grey scarf which she constantly kept rearranging – to no avail.

Despite attempting to make her scarf into a top, the music babe soon gave up and left her perky boobs on display.

With her topless antics and cheeky camel toe, the DJ just might have convinced a few more fans to take an interest in Nervo's music.

EVEN KATIE'S MUM CALLS HER DAFFY DUCK

WHAT THE DUCK!!!! Katie gets lip smack from mum *(below)*

She hates lip job

By BECCA STUBBS becca@sundaysport.co.uk

FORMER glamour girl Katie Price has been slammed for having 'Daffy Duck' plastic surgery... by her own MOTHER.

The 38-year-old first went under the knife in 1997 and has had numerous procedures since then – but it's her own mum, Amy Price, who is her biggest critic.

Amy, 62, appeared alongside her glamorous daughter on ITV show *Loose Women* and told the panellists that she hates her daughter's look.

She explained: "I can't bear [Katie's lip fillers] – I call her Daffy Duck. They're dreadful. I don't know why she does it to herself."

However, fans of the former topless beauty were quick to brand her mum a hypocrite after Amy had extensive surgery in 2001.

Jeya Prakesh, a surgeon on Harley Street, claimed in 2001 that Amy has had a one-off facelift, a necklift, laser peel and eye bag removal surgery.

A love for surgery seems to run in the family and Katie's recent splurge on her looks happened last May when she splurged on Botox, lip fillers and liposuction in one day.

Mum-of-five Katie is also rumoured to have 'topped-up' her 'Daffy Duck' lips last October and shared pictures of herself having a non-invasive bumlift in November.

Billion dollar booby!

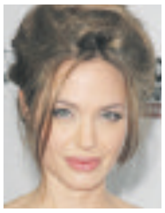
FANS of TV drama *Billions* got more than they bargained for when its fit female star Malin Akerman went TOPLESS for a steamy sex scene.

The 38-year-old plays Damian Lewis's wife in the hit show and stunned viewers when she stripped off in scenes from Season 2.

Swedish beauty Malin, who plays Lara Axelrod, showed off a hint of sideboob and a jigsaw piece inking on her ribs in the raunchy clip.

After sharing a bed with Claire Danes in *Homeland*, Brit actor Damien, 46, has hit the jackpot as he gets between the sheets once more with blonde beauty Malin.

***Billions* has attracted rave reviews from critics and the cast members promise more high-tension action, as Season 2 of the Yank drama continues on Tuesday at 9pm on Sky Atlantic.**



Ang jumps from Pitt to brainy Brit

ACTRESS Angelina Jolie has reportedly found love again just six months after divorcing Hollywood heartthrob Brad Pitt.

The 41-year-old *(above)* allegedly met her new man just over a year ago at a fundraising event – and now the mystery British businessman is wooing the star.

Canadian investigative journalist Ian Halperin wrote a book about Brangelina and is extremely close to the actors.

He claims the *Tomb Raider* star has moved on and said: "There were sparks from the get-go, but they were just good friends.

"Ange was tired of Brad, and her new man was just on another level.

"He's very tall, good-looking, an Oxford graduate, with wealthy roots in oil and high-tech. She's very attracted to brains.

"It's probably the first relationship that Ange has had that isn't just sex and fireworks at the beginning.

"Their relationship is more on a spiritual level."

Woman, 81, and man, 59, filmed bonking

A CREEPY retirement home worker secretly filmed two residents shagging and posted the footage to Snapchat.

Alexis Williams, 20, allegedly saw the couple going at it in a private room and decided to capture the intimate moment.

The two victims – an 81-year-old woman and a 59-year-old man – were both unaware their bonk had been posted onto social media.

One of Williams' Snapchat followers saw the clip and told the Bristol Court Assisted Facility in Florida who called the police.

After an investigation, Williams was arrested and charged with video voyeurism.

She has since been fired from her job and the local sheriff's office is considering shutting down the facility.

Mrs Brown's £10k tear-jerker

MRS Brown's Boys star Brendan O'Carroll chipped in a whopping £10,000 to a whipround for a seaside town's lifeboat station.

The generous comedian wanted "to get the ball rolling" after being asked to appeal for donations towards a new £2.2million lifeboat at Rhyl, North Wales.

O'Carroll – foul-mouthed Agnes Brown in the popular BBC series – left theatre staff "in tears" with his generosity.

His surprise came at the end of a three-night run of his Mrs Brown show at Rhyl Pavillion.

A spokeswoman for the theatre said: "Brendan explained to the audience that we'd be collecting for the Rhyl RNLI to help fund their new lifeboat.

"Out of the blue, he announced he was going to start the ball rolling with a £10,000 donation.

"There was a massive round of applause."

SEXY Sarah B says she loves it when her fella invites another WOMAN into the bedroom – as she can't get enough of kinky THREESOMES.

The 26-year-old model, from Brighton, reckons threeways are incredible and get her hornier than anything else.

But the 32D topless beauty said she doesn't feel like she's had a proper shag unless she's had her fill of COCK.

Sarah said: ""Most of the girls I know have at least snogged another woman – it's a normal part of being young and just having a bit of fun.

"I have gone all the way a few times, and I've had threesomes with two girls and a guy.

"It's very horny and definitely something everyone should try.

"Women's bodies are beautiful – so soft and smooth – and it's a very sensual experience being with them.

"But I don't feel like I've had proper sex unless there's a nice big willy involved.

"That's why threesomes are such fun – it's the best of both worlds, really!"

RETURN OF THE GIANT KILLER HORNETS!

FEARSOME: A bloody big Hornet

By WENDY THOMAS
news@sundaysport.co.uk

WATCH out... killer hornets are here and ready to wreak havoc.

The discovery of a killer Asian Hornet in Scotland this month has sparked fears of a huge rise in numbers of the stinging pests.

Asian hornets, which can grow to nearly 1.5-inches long, have such a powerful sting it can KILL humans.

Bee keepers have issued alerts, as the hornets can wipe out bee colonies within hours.

And fears have been raised that if one has already been found in Scotland, the rest of the country is in even more danger.

Six people in France died after being stung in 2015 – the venom causing them to go into anaphylactic shock.

Baddiel is ambassador for Alzheimer's Society

WRITER and comedian David Baddiel has been appointed an ambassador for the Alzheimer's Society.

Baddiel *(above)*, whose father Colin has Pick's disease – a rare form of dementia – filmed the documentary *The Trouble With Dad*, charting how his father's illness has affected his family.

Pick's disease affects the part of the brain that controls personality and behaviour and can see sufferers become sexually uninhibited and prone to swearing and rude behaviour.

Baddiel said: "I've always been interested in talking about, and finding the comedy in, subjects that we as a society perhaps don't talk about and quarantine off from laughter."

Eamonn: I made Piers a star on breakfast telly

FORMER news anchor Eamonn Holmes reckons he is responsible for Piers Morgan's success on *Good Morning Britain*.

Eamonn, 57, quit as *Sky Sunrise* anchor last year after suffering health problems and he thinks his resignation made Piers the new star of breakfast telly.

Piers, 51, regularly hosts *Good Morning Britain* and, despite his controversial comments and interviews, Eamonn think he's doing a great job.

He said: "I think Piers is brilliant. But he owes me big time – I've made him in breakfast television.

"He was floundering and then I packed it in and he's now the star of breakfast telly. I would watch him and he's compelling TV.

"I'm his number one fan! I think he does his job brilliantly.

"But if he's ever on his holidays or off sick, I'd be happy to answer that phone call!"

Eamonn *(above)* is keeping busy filming episodes for husband and wife show *Eamonn and Ruth: How The Other Half Lives*.

Boozed-up mum's child kidnap lie

A DRUNKEN mother reported her child as MISSING after she forgot where she'd left her.

Maria Irias falsely claimed that her daughter had been kidnapped after she knocked back so much alcohol she couldn't remember where she was.

The 29-year-old told officers that she had been at El Bodegon, in Palm Beach, Florida, when she accepted a lift from a stranger, who then sped off with her six-year-old daughter in the vehicle.

But she later admitted making up the story and was charged with child neglect and making a false report of a crime.

A police spokesperson said Irias confessed to lying to officers because she 'had been drinking most of the day and simply can't remember' where her daughter was.

The girl was later found unharmed.

Ex-BBC man on sex pest charges

PROBE: Geoffrey Wheeler

A FORMER BBC employee carried out a "persistent, repeated and unwanted sexual harassment" of a woman while he worked for the company more than 30 years ago, a court has been told.

Geoffrey Wheeler, 70, is alleged to have indecently assaulted the woman at the BBC's studio in Milton Keynes in the early 1980s while he worked at the Open University for the corporation.

By COLIN HURST
news@sundaysport.co.uk

Wheeler, of Milton Keynes, allegedly put his hand up the woman's top to try to touch her breast, Southwark Crown Court heard.

He is also charged with having, on at least 10 occasions, rubbed her shoulders and tried to touch her breasts.

He is also said to have repeatedly grabbed her and tried to kiss her.

Pubic

He also allegedly tried to push his groin into her bottom and is charged with touching her while they were in a car together on at least three occasions, when he also allegedly tried to touch her pubic area.

Wheeler – not to be confused with the BBC broadcaster and former *Songs Of Praise* presenter of the same name who died in December 2013 – was charged under Operation Yewtree, the police investigation into historical sexual abuse in the aftermath of the Jimmy Savile scandal.

Wheeler denies five counts of indecent assault from May 1 1981 to September 1 1982.

Prosecutor Sally-Anne Hales QC told the jury that the 1980s were "a different time when perhaps sexual flirtation and sexual harassment" may have been more commonplace and women may have felt unable to complain.

She said this case is about "persistent, repeated, unwanted sexual harassment" and "frequent indecent assault which made the complainant's life miserable".

Miss Hales told the jury: "Whilst none of the touching taken in isolation is of the most serious nature, the fact that it was persistent and most importantly unwanted means it is worthy of your consideration."

KitKat dumps 1,000 tonnes of sugar!

A REFORMULATED KitKat is to appear on shelves from next week containing more milk and cocoa as part of efforts to reduce sugar, Nestle has announced.

The confectionery giant's flagship brand will see a "small" sugar reduction in the reformulation being introduced across the KitKat milk chocolate range.

Nestle said it would cut more than 1,000 tonnes of sugar and three billion calories from the UK's diet.

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

● **IT'S been AGES since I did a proper photo shoot so I was so excited to strip off and get in front of the camera for Paul Raymond magazine yesterday. Here's a sneaky peek (*left*) of the photos you can look forward to seeing in the magazine – and the *Midweek Sport* – very soon!**

● YOU can catch me on Studio 66 TV tonight from 10pm on Sky channel 912 and from midnight on Freeview channel 185. But don't worry if you miss me, as I will be back on your screens on Saturday, too! So why not stay in this weekend and spend the evening on the phone to ME?!

We're the UNITED Kingdom

WHILE my heart goes out to those affected by the terror attack in Westminster last week, the aftermath has proven how strong the United Kingdom really is.

In the week since the fatal attack people of all faiths, religions and backgrounds have pulled together to stand against the actions of Khalid Masood and show that we will not be beaten by terrorists.

Devastation

These people think they can pull the country apart with acts of devastation, but they're actually pushing us all closer together.

I was heading into London to meet my accountant when I heard the news and he called me to cancel our meeting. My accountant is a Muslim and he told me he didn't feel safe coming into the city to meet me after what had happened – he said he felt scared that he would be judged or subject to abuse because of his faith.

Hearing that absolutely broke my heart and it made me feel ashamed that it was most likely other white British people who had made him feel that way.

But I think the way the country has reacted has shown that he has nothing to worry about – Masood was not acting in the name of his religion, he was out to kill and sadly he succeeded.

Tat's not nice!

FINALLY, Cheryl and Liam announced they'd welcomed their baby boy into the world.

I thought her post on Instagram was so sweet – but if I'm honest, it was totally ruined by Liam's awful tattoos all over his hands!

So here is this pure and innocent newborn baby, being cradled by two ink-covered hands.

It just looked really horrible.

I know that the post was about their baby news, and I really wish them all the best, but for me the tattoos just distracted me.

What on earth was he thinking getting those tatts in such a clearly visible place and at such a young age?!

● **READING the weekend newspapers there was one story that caught my eye about a mum who gave her terminally ill son cannabis oil – and he made a recovery!**

I have said for a long time that I truly believe in cannabis oil as an effective treatment and it really annoys me that stories like this one are so rare, because the benefits are so clear.

I wish that I'd been able to get my hands on it when my mum was ill with pancreatic cancer as I honestly think it would have made a difference to her pain and how long she had left.

It all comes down to the government – as long as cannabis is still illegal, there are so many families who will be too scared to take the risk and give it a go.

● **I WAS lucky enough to be invited along to the England v Lithuania game by the FA on Sunday – and I certainly made the most of the free booze in our private box!**

I had a great day and it really helped to take my mind off the fact that it was Mother's Day, as it still hits me hard that my mum isn't with us anymore.

We watched the first half of the match from the box before piling into the free bar, and we didn't make it back out to see the second half! In fact we were still in the bar at 8 o'clock and were pretty much the last people to leave Wembley Stadium. Between three of us, we must have gotten through about 10 bottles of wine, which ended in a drunken fall on the escalator!

There were three of us girls going down the escalator but the first stumbled and fell over, and then the other woman and I ended up on top of her in a heap on the floor.

So I'd just like to say a thank you to the security guards who picked us up!

Marvel at Brie's boobies!

STRONG FEMALE: Brie as Captain Marvel (*above*) and in older film where she let a nip slip out!

By JESS GALLEY
jess@sundaysport.co.uk

BUSTY actress Brie Larson has revealed why she was keen to play the lead in *Captain Marvel*.

The *Kong: Skull Island* star will take on the role of Carol Danvers in the upcoming comic book flick and is expected to make her debut in the next *Avengers* instalment.

It was first revealed that the Oscar winner, 27, had landed the part at last year's Comic-Con.

But Brie has now spoken out for the first time about what attracted her to the major part.

Humour

The Room star said she wanted to bring the character to the big screen to give women a strong female role model.

She said: "I want to create this symbol of strength and humour for women that I really wish I'd had, when I was growing up.

"It feels so valuable.

"We need to break through that glass ceiling – women go to the theatre to see a movie with a male lead, and men will go see a film with a female lead. We're all equals here."

Brie's character is expected to be involved in *Avengers: Infinity War* which is currently filming, before she plays the lead in a standalone movie.

And the part is a far cry from her role as student Kate in 2009 flick *Tanner Hall* which saw her strip off for a saucy shower scene.

'Sex toy' bar staff row

A PUB has been slammed for dressing its female staff like exotic SEX TOYS.

Suey Sins, in Sydney, Australia, has come under fire for its "sexy pre-war Shanghai" theme which punters claim is "racist" and "inappropriate".

The bar only opened for business this week but it has already received a barrage of criticism over its name, theme and the staff uniforms which are modelled on traditional qipaos – a type of tight-fitting dress with a split skirt.

One fuming local said: "Would you mind explaining this incredibly obvious perpetuation of a longstanding stereotype of Asian women as exotic sex toys?"

Another social media user wrote: "The creepy concept of this bar makes my skin crawl."

'AXE KILLER SON SLAUGHTERED FAMILY TO INHERIT FORTUNE'

ACCUSED: Henri (*circled*) and family before triple murder

ACCUSED: Henri (*above*) and sister Marli (*below*) who survived

A MAN will go on trial accused of butchering his parents and brother with an AXE to get his hands on their multi-million pound fortune.

Henri van Breda, 21, stands to inherit a share of £13million from the brutal killing of his parents, along with his sister Marli, who was left fighting for her life in the frenzied attack at their luxury family home in Cape Town, two years ago.

By COLIN HURST
news@sundaysport.co.uk

The 18-year-old schoolgirl, who survived the slashing of her jugular vein, is listed as a state witness against her brother.

But prosecutors are still agonising over whether to call her to give evidence or not.

The teenager reportedly remembers nothing about the 3am bloodbath in January 2015 that left her an orphan and put her in a coma.

She and Henri have only had supervised contact since the grisly triple murder.

The family's friends and social media feeds suggested they were a close-knit unit who enjoyed all the exotic travel and outdoor pursuits their huge wealth could buy.

Martin Van Breda had amassed a fortune from property and investments and after seven years in Perth and on the Sunshine Coast, he, his 55-year-old wife Teresa and three children moved back to South Africa for a business deal in the months before the killings.

According to court papers, a furious family row was heard at their double-storey home on the exclusive De Zalze golf estate in the hours leading up to the attack.

When forensic officers were dispatched to the home the next morning, they were confronted with a scene of unspeakable violence.

The body of 21-year-old engineering student Rudi was found on a blood-soaked bed next to his father Martin, 54. Both had suffered fatal blows with an axe to their heads.

Mum Teresa had been cut down on the balcony of the same upstairs room – also dead from a gaping head wound – along with Marli, who was discovered close to death with a gash to her neck.

Only Henri, then aged 20, escaped the furious onslaught with minor cuts – described in reports as "self-inflicted".

The trial starts on April 24.

Mary's Bake Off bust-ups with co-host Paul

BAKE Off legend Mary Berry revealed she hasn't always been Paul Hollywood's biggest fan.

The 82-year-old presented *The Great British Bake Off* alongside baker Paul for seven years on BBC One before quitting after the show was snapped up by Channel 4 last year.

And Mary hinted that Paul, 51, may not have been her personal choice for co-host after admitting they didn't always see eye to eye.

She said: "There were four other candidates to host with me and I was asked 'Who would you like?'

"And I said 'It's not who would I like – who would go best with me?'

"And I got Paul. We don't always get on, which is good."

Mary *(above)*, along with presenters Mel Giedroyc and Sue Perkins, jumped ship when the BBC lost the broadcast rights to Channel 4.

However, Paul stuck by the show and will host the revamped series alongside Noel Fielding, Prue Leith and QI's Sandi Toksvig.

Baby-for-sale couple busted

A COUPLE have been arrested for trying to sell their BABY online.

Police were alerted to the advert for the tot on American selling site Craigslist, which listed the five-month-old child as for sale for £2,400.

Officers tricked parents Deanne Greer, 37, and John David Cain, 26, into arranging a meeting to purchase the child at a local store.

Cops met the couple, from Greene County, Tennessee, and handed over the cash before cuffing the pair on charges of child abuse.

Greer and Cain are currently being held in police custody on charges of aggravated child abuse and child neglect or endangerment.

Meanwhile the baby has been taken into protective custody.

SAUCY Sammie Pennington says her ORAL SEX skills send men – and women – wild!

The 27-year-old scorcher, from Hammersmith, told us she loves going down on her lover, whether she’s giving a fella a blowjob or licking another lady’s mimsy.

And Sammie confessed her sexy tongue piercing makes for extra-special attention.

The 34E glamour babe said: “I like giving blowjobs – but I love going down on women, too.

“I’ve got a tongue piercing and they love it. I like to tickle their clit with it and tease them.

Dirty

“And I’ve got a really long tongue – I can touch my nose with it, so I love to see how far I can tease women with it in the bedroom!

“All of my friends say I’ve got great BJ lips, but it’s not just about being good with your mouth. It’s about the dirty looks you give them, too.

“I mix it up a bit with licking, sucking, going fast and hard, then slow and lingering while running my teeth up and down the shaft.

“And I love sucking on balls and taking them both in my mouth.”

Can a good shag really satisfy you for 2 days?

By BECCA STUBBS
becca@sundaysport.co.uk

A GOOD shag with your partner brings you both 48 HOURS of happiness and satisfaction.

According to a new study, getting frisky between the sheets brings an 'afterglow' which lasts two days and leaves people feeling content in their relationship.

Sex is a vital part in any relationship and scientists were intrigued how long the hormone 'oxytocin' stays in the body after a romp.

Scientists invited more than 200 couples to fill out sex diaries for two weeks and then studied the results at the end of the fortnight.

Couples were asked to log when they had sex and how they felt about their romp afterwards, they were then asked to evaluate their relationship six months later.

Researchers found that feelings of intimacy and contentment in the relationship lasted for two days, but did fade three days after the couple bonked.

Sperm

On average, couples reported shagging on four of the 14 days throughout the study, though that did rise and fall amongst the couples.

Those who reported a stronger afterglow feeling were also more likely to be happier in their relationships.

However, scientists reckon the afterglow could be an evolutionary process designed to keep couples together whilst the bloke's sperm count rebuilds.

Two days is the maximum amount of time that spunk can survive inside the woman and the afterglow means couples could abstain for two days whilst the sperm has a greater chance of success.

Dr Andrea Meltzer, from Florida State University, said: "Our research shows that sexual satisfaction remains elevated 48 hours after sex.

"The afterglow appears to last approximately the same length of time it takes for peak sperm concentration to be restored

"And people with a stronger sexual afterglow – that is, people who report a higher level of sexual satisfaction 48 hours after sex – report higher levels of relationship satisfaction several months later.

"Together, the findings suggest that sex is linked with relationship quality over time through the lingering effects of sexual satisfaction."

We asked three *Sport* stunnas how they feel after a good bonk….

Caitlyn Klass says...

> A GOOD shagging session can give me a little glow for a few days. The trouble is that lately I've been having bad sex – and there's nothing worse than a bad bonk.

Susie Sutherland says...

> SEX is the best feeling in the world, but only if you've had an orgasm from it. If the bloke hasn't made me cum, I'm left frustrated for days afterwards, or until I can sort myself out.

MIDWEEK Sport SEX FORUM

One good kip leads to even better bonk!

Mary Denny
Age 18, 34D-24-34 from Carlisle

By JESS GALLEY
jess@sundaysport.co.uk

IF you want your missus to give you a good seeing to in the bedroom, make sure she gets a good night's SLEEP.

New findings have revealed that the key to boosting a woman's libido lies in getting at least seven hours shut eye per night to perform well.

The study proved that women who get a restful night's kip are far more active between the sheets.

And ladies who get more than seven hours of undisturbed sleep in the evening said they were 20 per cent more satisfied than those who struggled to switch off.

The study – carried out by boffins at Harvard University, the University of California and the Mayo Clinic – specifically looked at the sex lives of women over the age of 50.

They quizzed more than 90,000 women aged between 50 and 79 for the survey, which was published in the journal of the North American Menopause Society.

Of those who had fewer than seven hours' sleep a night, only 50% said they'd bonked their partner in the past year.

And just half of those women who had got some action said they actually felt satisfied with their level of sexual activity.

Horny

Women who got less than six hours' sleep were 9% less likely to be sexually active, and those who had five hours a night were a whopping 17% less likely.

A source said: "This study proves the link between being well rested and having an active sex life.

"Women especially need a good night's sleep, not just to feel refreshed but also to keep their sexual urges and energy up!"

We asked *Sport* scorcher Mary Denny what she reckons about the research – despite having a few years to go before she reaches 50.

The 18-year-old babe, from Carlisle, said: "If I've had a good night's sleep, I always wake up feeling happy and refreshed – and if my fella is lying next to me, then those feelings almost always translate into being horny!

"But if I've been up all night or struggled to sleep, then I just want to be left alone in the morning.

"The only exception to that rule is if I'm hungover and got to bed late – I'm always gagging for sex when I'm a bit rough from the night before. I can't explain why, ha ha."

MY SEX FANTASY …WITH NATASHA MARLEY

‘I play with myself all the time – even on the train’

By WENDY THOMAS

news@sundaysport.co.uk

SELF-CONFESSED nympho Natasha Marley can’t get enough of ORGASMS!

And if a decent fella isn’t about, the 32D babe will indulge in a DIY job – even on the TRAIN.

Natasha, from Aldershot, Hampshire, revealed her wildest fantasy is playing with herself in front of fellas.

The 30-year-old told the *Sport*: “I love playing with myself. I do it as often as I can, sometimes even on the train.

“I always keep a little sex toy with me for emergencies. It’s a bullet thing that fits in my bag and it’s surprisingly powerful for something so small.

“I recommend every girl gets one.

“If I’m bored on the train and I’m thinking of sex – which is usually all the time – I will go to the toilet for a bit of you-know-what or, depending how full the carriage is, I will do it under the table.

Wild

“As well as my special pocket rocket, I have a couple of vibrators and some handcuffs.”

The naughty minx revealed her high libido goes up a notch when she has a boozy night out.

She said: “I think about sex pretty much all the time. I would say it’s on my mind 24 hours a day.

“And when I’ve had a few drinks… well, all I can say is that I’m pretty wild.

“The drink just makes me hornier, to the point where I just want to burst.

“I love feeling horny because it makes the sex even better when I eventually do get it! “

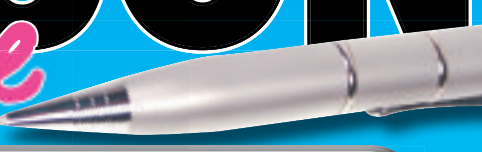
THE WORLD AGON Page



Dear Kelly,

WHEN I first met my girlfriend – it was at the bus stop late one night – she was wearing a nurse's uniform and she asked me if I had a light for her ciggy.

We got chatting and she made some joke about charging me £40 if we went on a date, but laughed it off when I asked her if she was a prostitute.

During our four months together, I noticed that she was always going out working late shifts at night and coming back with rather a lot of "cash-in-hand overtime payments" from some "private hospital".

But I'm gutted as she has now cracked and told me the truth – that she is actually a hooker who dresses up to pull the punters.

What should I do?

KR, Leeds

Kelly says…

IF you want to be with her and can cope with her career choice, then stay with her.

Dear Kelly,

I HAVE what I believe to be quite an unusual sex problem and you're the only person I feel I can talk about it to.

You might think it bizarre but mirrors really get me going. I just cannot look in one without feeling the need to masturbate – and watch myself doing it.

I'm a pretty girl in my mid-20s and I have had to take all the mirrors out of my house or nothing would get done but bean-flicking.

And it's terrible when I go in to changing rooms in clothes shops as I have to have a quick-fingered fanny rub!

In fact, I believe I would die of sexual tension if I went in a House of Mirrors at the fairground.

The trouble is I can't do my make-up in the morning without a mirror and I often go out with my lippy all splodged – after I've had a cheeky bean-flick while getting ready for work.

I'd love to be able to be normal and do my lippy on the bus, like other women, but I'd get chucked off for rubbing myself. What do I do?

HL, Middlesex

Kelly says…

I'LL need to reflect on that problem for a while!

Am I taking risk banging daughter's blonde pal?

Dear Kelly,

I GAVE my daughter's best friend a lift home from the pub a couple of weeks ago.

She's a 19-year-old blonde with a truly fantastic body and she'd come over to chat with me when I'd popped in for a swift pint after work.

My daughter was on holiday with her boyfriend at the time and her mate asked me if she was having a good time.

We got chatting and I ended up driving her home. She told me that her parents were away and invited me in for a coffee.

As soon as we got inside she had her tiny dress off. I couldn't take my eyes off her massive tits and lovely thong-clad arse. She didn't say a word – just dropped to her knees and sucked my throbbing nine-inch cock.

I couldn't believe my luck – a slightly overweight 39-year-old having his dick sucked by a sexy blonde. Naturally, it didn't take me long to unleash my hot spunk down her throat.

I then took off her thong and tongued her wet fanny, before boning her from behind over the couch.

I had her a couple of times more before I went home. I'm now seeing her for regular sex. Do you think I'm being reckless?

DP, Lancashire

Kelly says…

YES. You should end this affair NOW!

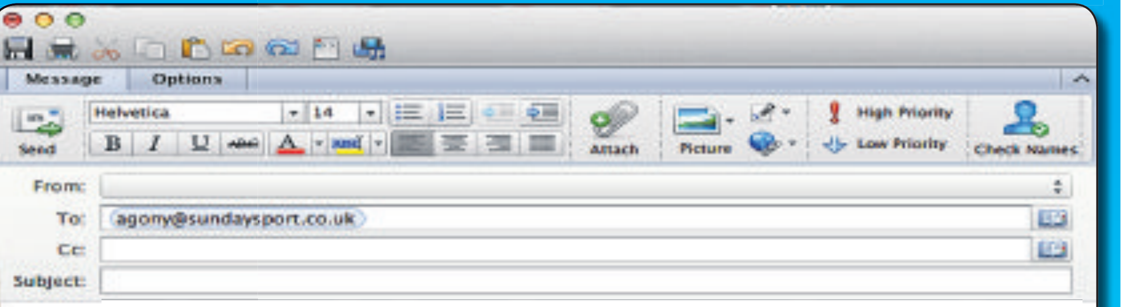
WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY MCGREGOR has been reading through your letters. And here's her advice for you…



To: agony@sundaysport.co.uk

Should I boost boobs for even more shags?

Dear Kelly,

I'M a 21-year-old law student and I like to think I'm attractive, but I have a fantastic sex life thanks to my enormous 38DD boobs.

I was a late developer and and got a lot of stick from other girls– and many of the boys – at school, and I thought I'd be as flat as a pancake forever.

But by the time of the the summer holidays when I'd just turned 18 I'd started to sprout in a very big way.

I grew to a 36D and loved my boobs, playing with them as often as I could, pretending it was a hunky fella kneading them as I played with my clit to reach fantastic orgasms.

But I didn't need to spend all my time masturbating and wishing – because I soon realised that I could get any man I wanted simply by showing off my plunging cleavage or by wearing a top that revealed my nipples.

One time, I went swimming with a few of my girlfriends and all the guys were ogling me in a sexy red cossie.

I saw that one of them could hardly contain his excitement and was trying desperately to hide the fact he had a big hard-on.

I sauntered up to him, my boobs nearly bursting out of my costume, and invited him to follow me into the showers for some fun.

Orgasm

He followed me into the changing rooms and we locked the door behind us after making sure no-one had seen us.

He reached over and gently let my top down as my boobs sprang out at him and he immediately started suckling them.

He was rock-hard and, slipping off his trunks, I wrapped his manhood in the ample mounds of my boobs. Then I gave him a slow, sensuous massage until I could feel the pressure of his orgasm building up.

I was fully aroused and I told him to take me there and then. He spun me round and pressed me against the wall.

He thrust deep into me while holding on to my boobs, grasping handfuls of soft warm flesh until he reached the point of no return.

I've had so much fun with my boobs that I'm now wondering whether I should have them enlarged further.

JM, Newcastle

Kelly says…

SOUNDS like you and your massive boobs are quite a handful already!

Eager fat babes rock my caravan of love!

Dear Kelly,

I TELL you, you simply can't beat being by the seaside – especially when you can get a season suck on the Johnson from a very grateful fat woman… or three!

I make a point of towing my old caravan to the coast at all times of the year, rain or shine, and never fail to pull.

And there's something about f**king a big old bird and getting the caravan rocking off its wheels that does it for me every time.

The inevitably grey, damp and rundown resort I love to visit is only just starting to get busy at this time of the year.

That's why I go there, because all the local lasses are absolutely gagging for a bit of tourist tail and there's very little in the way of competition.

So I pull up with my caravan and hit the town.

Last time I went, I got three fat ladies to come back to my tourer on the promise of some free booze. I'd met them in the pub and they'd already had a few, so they were giggling and well up for it.

I cracked open the cheap brand vodka I always keep stored in the mini freezer, then we went at it, all ends up.

As I was banging the first bird, grabbing lumps of her thigh fat, the other two were cheering me on.

When I popped my cork, one of the others lovingly sucked me back to rock hardness and insisted I give it her up the wrong 'un.

I couldn't be bothered to do the third so I just tossed off over her massive tits.

By the end of the week I was shagged out – and chalked up at least 15 lasses.

The Great British seaside – I'll say it again, you can't f**kin' beat it!

TG, by e-mail

Kelly says…

YOU should be working for the local tourist board!

AGONY QUICKIES

Dear Kelly,

I AM 20 and I fancy my lady boss who is 48.

We go to the canteen at work for lunch together and she's always talking about sex.

She has also intimated to me that she wants some younger cock as her hubby is an old fat bloater.

Should I ask her out?

LN, North Yorks

Kelly says…

GO for it – you may get another sort of rise too!

Dear Kelly,

MY hubby's bollocks aren't huge, although I'd never realised until last week.

We went to the home of a woman I met at the gym.

She and her husband have a hot tub and when we went for a dip I saw her fella's nads slip out of his shorts.

They looked like ostrich eggs and I longed to get them in my gob.

What should I do?

JC, Newcastle

Kelly says…

GET round there when the wife's out!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for.

SYLVIA BARRIE

TOPLESS stunna Sylvia Barrie was requested by Andrew Heaton because he can't get enough of her cracking rack.

The 47-year-old steward, from Burnley, Lancashire, reckons that every time he sees Sylvia's 32DD boobs, he feels a stir in his pants.

We don't think he's the only one, as the 29-year-old glamour girl, from Enfield, London, is a favourite with our readers.

Andrew said: "Look at her, she's just sensational.

"Every single time I see those gorgeous boobs, my cock just goes solid instantly.

"No other woman has that effect on me!"

REE PETRA

CAR valeter Dean Osbourne might clean cars for a living, but he says if he had a night with Ree Petra things would get dirty.

The 36-year-old business owner gets to clean celebrity supercars daily – but his fantasy involves 30-year-old lovely Ree, from Ipswich.

Dean, from Cornwall, loves to ogle Ree's 32GG sweater-stretchers and said: "If Ree came in for a valet, I'd give her the full works and then some.

"Although, things wouldn't get clean, it'd get dirty!

"There'd be white stuff all over her boobs and it wouldn't be shampoo!"

SYDNEY JAMES

SCOTTISH gardener Callum Clarke has tons of photos of glamour girls in his shed, but Sydney James is his favourite.

The 51-year-old, from Ayr, has a bevy of beauties pinned up among his tools – but Sydney's 32F's take pride of place.

Brighton-born Sydney, 27, is the apple of Callum's eye and he said: "I've probably got about 50 girls in my shed, but their boobs are only wee compared to Sydney's.

"I've never seen any as perfect as hers – and I would spend all day massaging and groping them if I had the chance."

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request @sundaysport.co.uk

SPEARMINT RHINO BABE OF THE WEEK

Jamie

GORGEOUS Jamie keeps her figure looking scorching thanks to her POLE DANCING hobby.

By JESS GALLEY jess@sundaysport.co.uk

The 21-year-old stunna, from Leicester, is also a keen dancer and would love to get up close and personal with a hunky bloke for a saucy salsa lesson.

Jamie stripped off and bared her perky 30E knockers for this sexy glamour shoot in honour of being named our Spearmint Rhino Girl of the Week.

Rude

She also chatted to us about what she looks for in a fella, as well as her idea of a perfect date.

Jamie told us: "I love Cuban salsa dancing, it keeps me really fit.

"But I also like pole dancing too, it has a raw sex appeal and energy about it, so I will leave that particular thought to your imagination!

"My perfect date would be a nice romantic meal in a beautiful restaurant, followed by a few drinks in a bar that oozes atmosphere.

"And my ideal man would have to be confident and he needs to dress well and smell nice too.

"Rude men need not apply!"

Spearmint Rhino has a number of gentlemen's clubs around the world which boast the most beautiful dancers.

But if you can't make it to one of the venues, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike Rounds.

LET'S TOAST TOWCESTER

TOWCESTER
RACECOURSE

DERBY'S NEW HOME: Towcester

WE are starved of football action midweek, but have no fears we can top up our bank courtesy of the horse racing action.

The NAP of the day comes at Lingfield on the all-weather at 4.20 in the shape of TOPMEUP.

The filly has failed to get her head in front over a mile, but today the drop in trip should work wonders.

She was busy in March running twice at Southwell and although she failed to land either of those, she did finish third on both occasions.

Beepeecee is likely to go off the favourite, but let's take on the gelding with TOPMEUP and take some cash off those horrible bookmakers.

The NB comes at Kempton, I am all over ESCALATING at 8.20.

His form is rock solid and looks set to take the beating. He ran 15 days ago and that second to Crossefire impressed me.

A repeat of that effort here will see him go mighty close.

For those of you looking for a treble, I have found us LITTLE MISS POET 2.40 at Sedgefield.

She was a very useful bumper performer and if we forgive her getting turned over at 1-10 last time, she is bang in here with a massive chance.

GREYHOUND RACING

BAGS action from Hall Green today has captured my imagination. Jonathan Blencowe should train the winner of the March Maiden Trophy courtesy of Kildallon Turbo.

Housed in trap-three at 12.04, expect to see Turbo rocket to the front and dominate proceedings from start to finish.

It could be a day to remember for team Blencowe, they also send out Coral Bound in the Maiden Stayers final at 12.18.

Drawn in the blue of trap-two, she can take the beating here.

Unlucky not to win last time over course and distance, eventually going down a head, but she still broke the 40.00 barrier. She is taken to improve on that effort and if doing so she will be almost unstoppable.

GREYHOUND DERBY

Towcester is the home of the Derby, not only is Towcester responsible for the Derby now, you can't help but feel the future of the sport rests firmly and squarely on their shoulders.

It is without doubt the greatest greyhound facility I have ever seen and those in the sport can be extremely excited not only about the Derby, but the future of the sport.

Talking of the Derby, I am all over the 20/1 about Priceless Brandy. Paul Hennessey brought over his Irish St Leger hero for a trial at the Northamptonshire venue, to say he had the wow factor would be a gross understatement.

This fella looks to have it all and he is my strongest Derby fancy for many a year, regular readers will have already helped themselves to the 33/1, I recommended a few weeks back, but if you did not listen, get on now.

Come the final on July 1, I expect to see Brandy on the podium receiving a standing ovation, collecting the £175,000 first-prize and his fans will end up celebrating long in to the night.

If you want something at bigger odds, then look at Jaytee Jet at 66/1 each-way.

He landed this race last year and a kennel companion of Priceless Brandy. There is much to like about the reigning champion and his progress looks to be going to plan.

Can he join the likes of Mick The Miller, Patricias Hope, Rapid Ranger and Westmead Hawk and win the world's greatest greyhound race back-to-back?

THE WINNING POST

Warrior can slay em

By BEN MORGAN

THREE Flat cards today show that it won't be too long until the National Hunt horses are put away for the summer making way for another high octane season on the level.

Last year's champion jockey, Jim Crowley, will be looking to start this season with a bang and he may have a good chance of doing just that at Kempton this evening.

THE WARRIOR (NAP) looks to have a good chance of reversing the form with Gossiping in the 7.55 as they now meet on better terms and Amanda Perrett's charge has another race under his belt.

Since leaving Aidan O'Brien's yard he has put in some good performances for his new connections off much higher marks, and now that the handicapper has given him a chance, he may well be able to capitalise. With Crowley in the plate he must have a serious chance.

JAC THE LEGEND has always threatened to make up into a nice staying chaser but has yet to put it all together on the racetrack.

He faces a big drop in grade today and has to shoulder a lot of weight, but with young Jonjo O'Neill in the saddle, taking 7lb off, he looks to have a good chance of registering a victory.

If he is to repay the faith Brian Ellison has in him, then he should be winning this.

Brian Ellison could be in for a good day as he also has a nice chance in the 3.40 at Sedgefield in CRACKDELOUST.

He was beaten last time by Mr Clarkson, who re-opposes today, despite having a 6lb pull at the weights.

Today, he receives 15lb off David Pipe's horse which I hope will be enough to turn the form on its head, and given the fact he is still very immature he may well have come on for his last run.

He has a good each-way chance.

Malcolm Jefferson is having a fine season and his HELMSLEY LAD should give the Yorkshireman plenty to cheer about today.

He runs at Sedgefield, in a four runner event, where things could get tactical so it helps having Brian Hughes on his back.

He arguably has the better form than his two market rivals and will benefit enormously from the better ground.

At 3/1 he looks the one to be on.

Mac fancies his Rhinos for a Grand day out

RUGBY LEAGUE

LEEDS coach Brian McDermott is tipping his side for Grand Final glory this season.

The Rhinos have made a decent start to the campaign with five wins from their opening seven games.

They sit in third spot behind surprise leaders Castleford Tigers and a resurgent Hull FC.

McDermott said: "It's something that we've always targeted.

GOOD START: McDermott

"We want to be successful. This is what the club is all about.

"We want to win trophies, we want to be right up there near the top.

"But we can't get ahead of ourselves. It's a hard league and the response we've had has been pretty good but we can't be content with that, we need to keep that going now.

"Confidence is pretty good and the boys are going well but we need to be consistent.

"Those things will come in the end."

Kallum Watkins will make his 200th appearance from Leeds against Wigan on Friday.

It will also be his 44th game in a row for the Rhinos and he has been on the pitch for every minute of them.

Watkins said: "Obviously not being in the forwards, you're never really going to get taken off unless you're injured.

"My position is tough and it's hard work at times but it makes you think of the forwards going through the tough stuff throughout those minutes. They need that rest.

"It's not something I think about too much. I just go out there and do a job and aim to be consistent."

Mullins keeps team tight for Grand National

HORSE RACING

WILLIE Mullins is keeping his team small for next week's Aintree festival.

The Irish champion trainer was trying to win the title on this side of the sea 12 months ago so flooded Liverpool with runners.

But it's a different story this time around and Mullins is only sending over horses that have a real chance. He said: "I normally don't have a big team at Aintree.

PICKY: Mullins

"Last year we were going for the title but this year we are reverting to normal.

"We'll run a couple in the National, Pleasant Company and Alelchi Inois.

"We could have a bumper horse and possibly something in the Aintree Hurdle.

"Footpad is maybe more Punchestown-bound. For Nichols Canyon, we are looking at Punchestown and the race in America in May, in which he ran last year.

"I imagine the juveniles will be kept for Punchestown."

The first couple of days at Cheltenham didn't go well for Mullins but he still ended up with six winners.

All of them have come out of the meeting well.

Mullins added: "We step up work in the next couple of weeks with Annie Power too.

"Min is just OK, Annie is in better order.

"Yorkhill is settling and he is jumping.

"That he can jump around Cheltenham and that his pedigree is a real old-fashioned chasing, one would tell me the progression would be the Gold Cup on that performance."

STAYING PUT: Calderon thinks Neymar will be a Barcelona player next season

NEYMAR will end up staying at Barcelona on even more money rather than sign for Man United this summer.

By JOHN ANTHONY

That's the verdict of Spanish football legend Ramon Calderon — former president of Barca's deadly rivals Real Madrid.

He insists that United will fail in their efforts to prise the Brazil striker from the Nou Camp.

Reports coming out of Spain suggest that Jose Mourinho is willing to pay an amazing £190million for the 25-year-old. And if that wasn't enough cash splashed out, Neymar would also pick up an astounding £420,000 a WEEK in wages.

That's almost £22m a year to play for the Red Devils.

Even though that would trigger Naymar's release clause, Calderon — who knows more about doing deals with Spanish teams than anyone — still cannot see it happening.

He said: "Barcelona won't let him go.

"I'm sure the club will not let Neymar leave. He is playing very well now, we all saw that with his performance against PSG in the Champions League, but it's all about the player.

"With my experience from Real Madrid, with Cristiano Ronaldo and other big players, when they say they want to leave and they go to the president or coach and say, 'I don't want to play here anymore and please let me go', then you have to.

"But it doesn't seem Neymar is saying anything against staying in Barcelona."

There have been mixed messages coming from the player himself.

He has made no secret of the fact that he's a big fan of the Premier League.

Neymar said: "The Premier League is a championship that amazes me.

"I like the playing style and the teams. And who knows, someday, I would like to play at it, yes.

"I admire Manchester United, Chelsea, Arsenal, Liverpool — these are the teams that are always there fighting.

"And then you have high-level coaches like Mourinho and Guardiola. These are

BARCELONA WON'T SELL NEYMAR TO MOURINHO

Brazilian will be staying at Nou Camp says Calderon

coaches with whom any player would like to work."

But at the same time, the Brazilian is happy with life at Barcelona and said so just this week while he was on international duty.

Summer

Neymar said: "My dream was always to play at Barca.

"When I was a kid, that's what I wanted.

"And the most important thing about playing at Barca is to having that dream come true. That is the best thing about playing at Barca."

The calibre of player United can attract this summer could depend on them being back in the Champions League. They have the possibility of winning the Europa League to grab a precious qualifying spot.

But finishing in the top four of the Premier League is also in Mourinho's sights.

They take on West Bromwich at Old Trafford at the weekend but could be missing SEVEN key men.

Paul Pogba, Wayne Rooney, Phil Jones, Chris Smalling and Marouane Fellaini are carrying knocks and are rated doubtful.

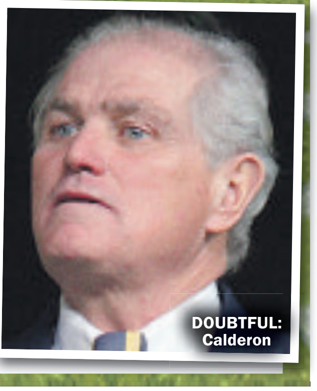
Zlatan Ibrahimovic and Ander Herrera are both definitely out of the match with suspensions

The extent of Pogba's hamstring problem is being kept under wraps.

He picked it against Middlesbrough and it forced him out of France's internationals over the past week.

With Bastian Schweinsteiger now in America, should Pogba be out, Mourinho has just one fit midfielder in Michael Carrick when the Baggies come to Old Trafford.

It could mean pushing Daley Blind further up the pitch in a game United must win to keep pace with the top four.



DOUBTFUL: Calderon

Johnson rests up to Master tricky Augusta

GOLF

DUSTIN Johnson has pulled out of this week's Shell Houston Open to make sure he's spot on for the US Masters.

Johnson is in cracking form and won his third tournament on the trot in the WGC-Dell Technologies Match Play.

The 32-year-old said: "After a great deal of thought and consultation with my team, I have decided to withdraw from this week's Shell Houston Open.

"Having played seven rounds of competitive golf in the last five days, I feel it is best to give my mind and body a much-needed rest heading into Masters week."

Johnson is a strong 5/1 favourite to win his second major at Augusta, after winning the US Open at Oakmont last year.

Looking further ahead, Henrik Stenson will warm up for the Open by playing in the Scottish version at Dundonald.

The defending Open champion thinks it's the ideal place to warm up for Royal Birkdale, which hosts the great tournament from July 20-23.

The Swede said: "Obviously it is going to make it a special week for me.

"It's a tournament which has helped me prepare really well for The Open and I'm looking forward to the new venue.

"I played the Scottish Open in 2013 and went on to finish second in The Open next week.

"I played last year the week before Troon and we all know how that turned out, so playing in the Scottish Open helps to fine tune the links game."

Read calls time on 20 seasons tied up at Notts

CRICKET

NOTTINGHAMSHIRE captain Chris Read will hang up his gloves at the end of this season.

The 38-year-old former England wicketkeeper has been at Trent Bridge for 20 seasons.

He is leaving to take over as director of cricket at Uppingham School.

Read won 52 caps for England in Test and one-day cricket and has 1,329 dismissals.

With the bat, he has made more than 20,000 runs and 25 centuries.

He said: "I feel very content with my career.

"It's my 20th season at Trent Bridge and it's been a wonderful experience.

"All good things must come to an end.

"After this season, it's time for me to move on and start the next phase of my career with a fantastic opportunity at Uppingham School."

Read took over as Notts skipper in 2007 and has clocked up 677 appearances for the county.

He has won two County Championship titles but suffered relegation to the second division last season.

Getting back into the top flight would be the perfect retirement present.

Read added: "I'll be putting everything into Nottinghamshire, into driving us forward and making sure that, when I do leave at the end of September, the club is in the best possible position.

"I'm going to really enjoy this last six months of my playing career.

"I've set myself high standards throughout my career, and this final season is no different."

GET READY TO FIGHT!

Iheanacho promises the Gunners a battle royale

KELECHI Iheanacho has warned Arsenal to prepare for a real fight this weekend.

Pep Guardiola's Man City take on the Gunners on Sunday looking to extend their seven-match unbeaten run. With both teams desperate to finish in the top four, the game is as important as ever.

Arsenal are in danger of slipping out of the race having slumped to sixth in the table. Now Iheanacho wants to heap more misery on underfire boss Arsene Wenger.

By JOHN ANTHONY

He barked: "We are going to go to the Emirates and fight.

"We need a win there. It's a good team, so we need to fight hard to get three points.

"We are in a good situation. We played well against Liverpool and showed good character.

"We defend well, we attack well, but unfortunately we couldn't win. We are in a good position in the Premier League, we keep fighting and focus."

The Nigerian made a big impact last season, scoring vital goals for boss Manuel Pellegrini.

But Guardiola doesn't seem to have the same faith in him. He has barely made a start under the Spaniard — but insists he's happy at the Etihad.

Iheanacho added: "Everyone should be happy being in this team — it's a great team.

"The supporters give us everything so we need to keep fighting for the team and the fans.

"I am improving every day. I keep learning and improving and that will help me in the future. I love it here."

Mezut Ozil expects to be fit to take on City after overcoming his hamstring strain.

The 28-year-old came off the bench for Germany against Azerbaijan on Sunday.

Leaving

That was his first game for more than a fortnight and he should be in the Arsenal line-up this weekend.

The Gunners have lost six of their past nine games and the atmosphere in the stands is getting ever more poisonous.

There is also never-ending speculation that Ozil and Alexis Sanchez will be leaving the club this summer.

The German says that's not true and he's determined to get back on the pitch.

Ozil said: "Of course, we have had a difficult time recently and we are not satisfied with sixth place.

"I am convinced, however, that we will catch up again soon. Let's see what the future holds.

"I am contracted until 2018 and I feel very comfortable.

"We'll talk soon and then make a decision."

ROMEU'S A SAINT FOR LIFE

By PAUL THOMAS

ORIEL Romeu says he's flattered by talk of him going back to Barcelona — but he loves it at Southampton.

The defensive midfielder has been a revelation since moving to St Mary's from Chelsea two years ago.

The Blues snatched the 25-year-old away from Barcelona where he spent his youth and made one appearance for the first team.

There has been strong talk in Spain that Romeu could be going back to the Nou Camp as a replacement for ageing Javier Mascherano.

But the Spaniard says he is at home on the south coast and won't be going anywhere in the near future.

Romeu said: "It's something that's very nice, of course, to be linked with Barcelona.

"I had been there for many years and know the level of players.

"Being linked with the club is always something nice but, luckily, I've been at Chelsea and Barcelona and haven't played and I don't want to be there again and I don't want to have this feeling of not playing.

"I'm feeling very happy here and I won't give this away. The club has given me a massive welcome since the beginning, signing a new contract in January, and this support and confidence they have given me is something that no one has done before.

"I feel very pleased for that and I wouldn't say I've just stopped here, I'm very pleased with what they've done for me and I want to give this love back."

Romeu says there's a lot more to playing for Southampton than just his form on the pitch.

He feels he belongs at the club and is an important figure for his team-mates. That is something he'd be worried about losing if he went to a "bigger" club.

Romeu added: "I feel respected. If team-mates have problems sometimes they come and ask me.

"I'm an important part of the dressing room, which in the way you play gives you that respect.

"It's something very nice and something I've always been looking for and now that I have it I'm really enjoying it.

"That's made me very happy and I have good feelings that, as a player, I don't want to lose and want to make it last as long as possible.

"It's great to have this feeling and hopefully it won't go away."

STILL OUT: Phillips

Phillips struggles to face United

WEST Brom winger Matt Phillips has had a setback as he battles a hamstring problem.

The 26-year-old was called up for the Scotland squad but had to pull out when the injury flared up again.

Boss Tony Pulis was hoping the two weeks' rest would see him right in time for this weekend's clash with Man United.

But it appears that won't be the case.

Pulis said: "Matt will be fit for the cricket season by the looks of it.

"We'll see, we're hoping he'll be fit.

"I'm not sure what the prognosis is, we're desperately disappointed he's not fit now. We need him to be fit.

"It's gone from a muscle injury to a slight tendon problem so they're concerned about the tendon as well as the muscle. It's been a long time."

Phillips has now been out for four games and he's been a big miss.

Pulis added: "It's disappointing really because we had a really good run when Matty, Mozza and Chadli were in the side.

"Between them those three added you 15 more goals which makes a big difference.

"But it's a squad game, and obviously the others came in the other weekend and gave us a really good result."

Giroud in goal moan

OLIVIER Giroud has been moaning — because he didn't win goal of the month for January.

The Arsenal striker thinks his scorpion kick against Palace was better than the bicycle kick that won Andy Carroll the accolade.

Giroud whined: "Andy Carroll's goal is magnificent, but maybe people won't remember it in two years' time. I don't want to big myself up, but goals like mine leave a mark on history because they're rare.

"Mine, yes. It's like Zlatan's improbable overhead kick against England or Marco Van Basten's volley, goals that I would have liked to score."

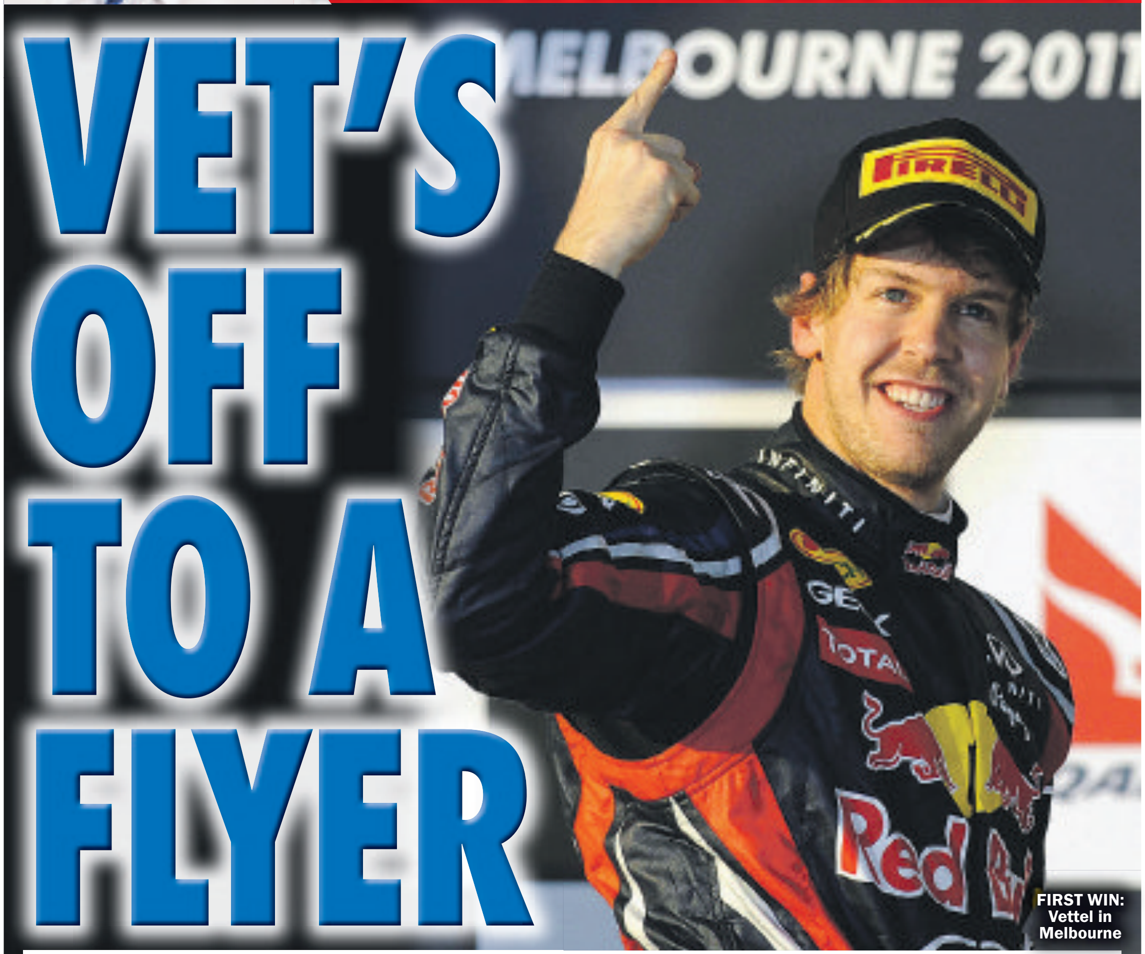
VET'S OFF TO A FLYER



FIRST WIN: Vettel in Melbourne

It should be a cracking F1 fight

THE Formula One season began last weekend and what did we learn from the Australian Grand Prix:

1. The degradation on Pirelli tyres is much less than in recent years and it looks as if it will be just the one stop for fresh rubber in most GP this term.

2. The cars as expected are faster than in 2016 but not by as much as many advised it would be the case - although it is early days

3. While everyone concluded that Sebastian Vettel was the fastest driver and a worthy winner the bottom line is that the race was won in the pits and the German did not overtake Lewis Hamilton.

It was slightly worrying that all drivers at Albert Park complained that following in the slip stream of another car made life extremely limited in their new vehicles.

The new regs were brought in to make F1 more exciting and competitive – it is slightly premature I know but the jury is certainly out.

BetVictor make Hamilton 11/10 to win in China on Sunday week with Vettel 6/4 whilst the Brit is Evens to regain his World crown with the Ferrari driver 6/4 and it is 8s bar.

Those odds suggest a two-horse race – let's hope that is not the case. At least the Premier League is a six-horse race.

Talking of horses and just over a week to the start of the Grand National meeting and in the Topham Chase on the second day of the meeting, Go Conquer (12 from 16s) and Seefood (12s from 14/1) have been the best-backed horses in recent days at BetVictor.

Henryville (16s) and Stellar Notion (25s) have caught my eye and the weights will be published later today.

They race at Sedgefield this afternoon on ground described as good to soft at the time of writing.

I remember Hint Of Grey (2.40) running with great promise at Wetherby earlier in the season but she was failing to get home on soft ground in mid-winter.

The selection did get her head in front at Fakenham last time and the hope is that Conor Shoemark can leave his challenge to the last minute given she appeared to idle when hitting the front last time. She receives a stone from her main rivals this afternoon and can follow up as long as the ground does not deteriorate too much.

Jac The Legend (3.10) invariably runs well at the Durham track and trainer Brian Ellison uses talented amateur Jonjo O'Neill Jnr to take off a valuable 7lb in the three-and-a-quarter-mile handicap chase.

The selection hasn't quite been at his best in recent starts but he has dropped to a very fair mark and his rider is good value for his claim.

I felt Reverant Crust (3.40) looked in need of a step up in trip when third at Newcastle on his handicap debut last time and today's better ground should hold no terrors given he is a son of Daylami whose progeny appreciate a sound surface.

All seven whop go to post can be given a realistic chance in what is a valuable prize for the track with the winner getting in excess if £12,500.

Dustin Johnson has pulled out of this week's Houston Open but will go into the Masters' next week a very warm favourite for the first Major of the season (5/1 from 6s at BetVictor).

Johnson has won his last three tournaments but in the history of the tournament only three players have gone in search of a Green Jacket on the back of three successive wins – all three were beaten.

That said Johnson certainly has the game to bring Augusta to its knees.

The Open Championship has the history and is a unique challenge but the Masters is the only Major tournament played on the same course every year – and for that reason alone it is one of the great sporting occasions of the year.

Add the greatest horserace in the world the Grand National we have a week to savour.

But in Friday's paper we look forward to the small matter of the return of the Premier League and the Merseyside Derby.

MOVE COULD BE ON: Hazard

Hazard takes step closer to Real deal

CHELSEA have a gentleman's agreement with Eden Hazard that they will listen to offers for him.

That pact has opened the door for Real Madrid to start the ball rolling on a summer transfer bid.

What the secret arrangement doesn't say though is that Chelsea have to accept an offer for the Belgian.

But Real — along with Barcelona — are one of just two clubs who could possibly pursuade Hazard to leave Stamford Bridge.

Should that happen, it would mean both Chelsea's main attackers could be on their way this summer.

There seems little doubt that Diego Costa will be lining up in China at the start of next season.

An offer of £500,000 a week wages are on offer for the big striker when he heads to the orient — and we don't mean Leyton.

WANTED: Morata

Attack

As for Hazard, Real Madrid boss Zinedine Zidane is desperate to bring him to the Bernabeu.

He is willing to make the 26-year-old the world's first £100million transfer and club president Florentino Perez is itching to bring in a new galactico.

Real currently have the "BBC" attack of Gareth Bale, Karim Benzema and Cristiano Ronaldo.

But Perez is aware that three seasons have passed since Bale joined the club and that's a long time between massive signings for the Spanish giants.

They are even thinking the unthinkable at Real that Ronaldo's time may be up at the club.

He is pushing 33 years old and Hazard could slot straight into his place in Zidane's side.

And Chelsea could have their heads turned by Alvaro Morata coming the other way to replace Hazard and link up with likely summer signing Romelu Lukaku.

Blues boss Antonio Conte is desperate to make that deal happen.

Alli backs new boss to deliver for Three Lions

DELE Alli believes Gareth Southgate has what it takes to bring glory to England.

The Three Lions barely had to get out of first gear to beat Lithuania in their latest World Cup qualifier at the weekend.

England played 4-2-3-1 in that match having fielded three at the back against Germany in their friendly defeat last week.

Alli believes that shows Southgate has what it takes to tailor tactics to the opposition.

And the Spurs playmaker believes that could be a recipe for success that the national team has been craving.

Alli said: “Southgate likes to play football and get the ball down. I think with the players we have got it really suits us.

SOLID: Southgate

Play

“We like to win the ball up high and press, and get the ball down and play football and be patient as well so it is a fantastic time.

“With the boys we have got here, a lot of the boys want to play that way.

“It is important with the squad he chooses that everyone comes in and has an understanding and wants to play the same way.

“It is important for the team when we come here that we all buy into the philosophy.

“He is a fantastic coach and it is a pleasure to play for him.”

The Lithuania win moves England on to 13 points and on the verge of qualifying for Russia with games to spare.

Their next game is against Scotland who gave themselves an outside chance of making the play-offs by beating Slovenia at Hampden Park.

Jermain Defoe scored on his comeback game against Lithuania and is hopeful of keeping his place against the Tartan Army.

He said: “I’ve got to go back to my club and finish the season strong — the same as all the boys — get my head down and see what happens.

“I enjoyed coming back to international football.

“It’s hard to put into words I had to keep my emotions in the beginning — just to be back playing for England is great.”

HORROR: Coleman and Taylor clash in Dublin — the Everton player broke his leg

MERSEYSIDE DERBY LIVE ON SKY SPORTS 1

LL TOP KOP R COLEMAN

in pledge up Seamus

EVERTON skipper Phil Jagielka believes Seamus Coleman's horror injury will spur his side on to beat Liverpool.

By PAUL THOMAS

The Ireland skipper faces a fight to play again after breaking his leg after a horrendous tackle by Wales defender Neil Taylor.

He smashed his tibia and fibula and has had operations on the injury.

Jagielka reveals that the Everton players are all sick about what's happened to the 28-year-old.

And they are determined to give him something to smile about by beating their nearest rivals at Anfield on Saturday.

Cheering

That won't be easy because they haven't won in front of the Kop since 1999.

After their visit across Stanley Park, they have another massive game against Manchester United.

Jagielka said: "There are two massive matches coming up and that's one thing Seamus will want us to do, to play well and get some good results.

"We'll all be thinking about him and, come Saturday and Tuesday, I'm sure he'll have the TV on and be cheering us on. There'll be no incentive needed, but the circumstances over the last few days might add a bit of a motivational edge on our behalf.

"We want to go out there and play well and it will be nice if we can all get to speak to Seamus beforehand."

Coleman has become one of the key men in Ronald Koeman's side and has started 26 Premier League matches for the Toffees this season.

Jagielka concedes that he will be a big miss for the Blues.

Promising youngster Mason Holgate is one of the options the Dutchman has to fill the full-back slot.

He said: "Seamus is a massive part of the furniture. He's been here a long time now, he's one of the leaders.

"All we can do is be there for him. He's had the operation, it's been a success and he's on the slow road to recovery.

"As a club, a family, we have wished him a speedy recovery and we will be with him every step of the way.

"He's a great lad and hopefully we can get him smiling around the club as soon as possible.

"He'll be down at the moment because it's not long since the injury happened.

"His friends and family away from football will help him through these initial stages.

"When he is able to do things it's up to us as a club — the players, physios, coaches.

"I'm sure we'll be able to get him to where he needs to get to.

"Hopefully it is as quick as possible, but the main thing is that he gets back to the levels he's been showing, not just this season."

Off the pitch, Everton boss Koeman is being linked with the vacant Holland job.

Move

The Netherlands sacked Danny Blind after they lost to Bulgaria in the last round of qualifiers.

Koeman says he would like to manage his country — but the time is not right at the moment to move into international football.

Netherlands FA director Jean-Paul Decossaux said: "We need someone who can help to take forward Dutch football.

"Ronald Koeman could be such a person. But he is at a good club at the moment and there are a lot of other trainers who are on our shopping list."

BRAVE: Coleman holds his broken leg together

TARGET: Perisic

Get Perisic to Anfield says mate Lovren

LIVERPOOL defender Dejan Lovren is doing his best to persuade the Reds to sign fellow Croatian Ivan Perisic.

The 28-year-old has been valued at around £35million by his club Inter Milan.

Chelsea and Manchester City are also interested in the playmaker.

On top of that, Jose Mourinho was spotted in the stands to watch Croatia's match on Friday night.

But Lovren is trying to use his influence to make sure Anfield is his final destination.

Perisic is suddenly hot property after scoring nine times in 23 league outings.

Lovren said: "We players do not know anything about transfers until it happens. That's always the case.

"But a player like Perisic moving to Liverpool would be great. He is a top quality player.

"At Liverpool, all the players would welcome him with open arms. Obviously, I do not know if it is true.

"What I can say is that he has exceptional football skills, knowledge and a higher than average quality."

Striker

Another Inter Milan player is on Liverpool's radar.

But Gabriel Barbosa's agent has poured cold water on talk of a move for the striker to Anfield.

The Brazilian hasn't started a game for the Italians since moving from Santos last year.

But agent Wagner Ribeiro said: "When we chose this club we signed a contract until 2021, and there were no specific clauses included guaranteeing obligatory minutes, let alone a starting spot.

"He's happy in Milan, he'll fight for games."

Liverpool are facing a race against time to get two of their star players back in time for Saturday's derby against Everton.

Phillipe Coutinho and Roberto Firmino will board a private jet straight after Brazil's game against Paraguay this morning.

That should have them back on Merseyside in time to rest up before the Everton clash.

£50M FOR ALEXIS

Gunners resigned to losing Sanchez

By JOHN ANTHONY

ARSENAL have slapped a £50million price tag on Alexis Sanchez.

The Gunners have given up hope of keeping their star striker who is set for the exit this summer.

He is coming into the final year of his contract at the Emirates and even an offer of £250,000 a week won't persuade him to sign a new deal.

Sanchez has clearly had enough of life in north London with rumours of training ground spats and rows with boss Arsene Wenger.

Despite Arsenal's dodgy form that has seen them drop to sixth in the league, the Chilean has kept up his good form with 23 goals and 12 assists this season.

Sanchez has had enough of tight Arse Wenger who won't splash the cash to bring in more star players.

Bayern Munich are thought to be in pole position, although Juventus are also keen as Arsenal want him to go abroad.

AND THE SAME TO YOU: Sanchez has made his feelings clear about Wenger
